## 2-Car Crash Injures 7 At Blind Corner

'Hill Rd.' Collision Demolishes Autos; Young Driver Cited

Seven persons were injured, none seriously, in the collision of a Jefferson County car and an East Liverpool youth's auto Saturday night at the blind junction of Ravine St. and the Pennsylvania Ave. "Hill Rd.," police reported.

Five of the injured were passengers in a 1960 model four-door sedan driven by Frank Jacob Bigler, 56, of Steubenville.

Russell Zane Ludwig, 16, of Pennsylvania Ave. Ext., operator of the other auto, also was injured, along with his passenger, Ray Cunningham, also of Pennsylvania Ave. Ext., officers said.

The collision at 6:13 p. m. demolished both Bigler's car and a 1954 four-door sedan operated by the local youth, officers said. He was cited as a juvenile traffic offender for failure to yield the right-of-way.

Injured in the Bigler car, all released after treatment at City Hospital, were: Mrs. Margaret Bigler, 48, his wife; and Martha Buono, 44, Phillip Buono, 42, Richard Buono, 14 and Charles McElroy, all of Wintersville. Ludwig was treated at Osteopathic Hospital for strains and bruises of the left chest wall. Cunningham was released from City Hospital after X-rays of the skull and shoulder.

Bigler told police he was headed west on the "Hill Rd." about 40 miles an hour when Ludwig pulled out of Ravine St.

## Nixon Seen As Nominee In GOP Poll

**NEW YORK (AP)**—A nationwide poll of Republican county chairmen and other party leaders named former Vice President Richard M. Nixon as the most likely winner of the 1964 GOP presidential nomination.

Sen. Barry Goldwater of Arizona, however, was far ahead as the personal preference of the 1,606 persons participating. The survey was the third such poll taken by The Associated Press.

In the survey, which began April 1, correspondents in 50 states and the District of Columbia questioned more than 3,000 county chairmen, vice chairmen, town leaders and other party officials.

There were two parts in the questionnaire—"Who is your personal preference to be the

## At Breakfast Here

## Johnson Rapped In Taft's Speech

Stopping in East Liverpool this morning for a breakfast with Columbiana County Republican leaders, Rep. Robert Taft Jr. lashed out at "weak" policies of the Johnson administration on Cuba and other current issues.

In his Ohio campaign for U. S. Senator, the 47-year-old Cincinnati congressman, grandson of the 27th President and chief justice of the U. S., William Howard Taft, addressed a breakfast gathering of about 100 at the Travelers Hotel.

Wearing a red and white "Taft" lapel button, the congressman-at-large spoke briefly on national issues at the breakfast which kicked-off a "Campaign Day" in Columbiana, Jefferson and Belmont Counties.

AT A press conference preceding the breakfast, Rep. Taft asserted policies of the administration of President Johnson on Cuba have been "very weak," and the embargo placed on shipping to the Communist-controlled island is virtually ineffective.

Son of the late Sen. Robert A. Taft, who was known as "Mr. Republican," Rep. Taft said he was in favor of "anything short of an invasion" to dispel the threat of continental subversion posed by Castro's dictatorship.

The administration in Washington has enjoyed no success with invasion of the Communist island satellite, or the embargo

and is trying a "leave alone" policy, he declared.

"This seems very foolish, and will have to be checked to eliminate the threat of subversion," Rep. Taft declared.

**THE VISITING** congressman, a four-term member of the Ohio House of Representatives, also commented briefly on other current issues being debated in the primary campaigns.

He asserted President Johnson's claim of a sound economy and cut-back in spending are "purely window-dressing."

"The new budget is \$5½ million over the appropriation of last year," he said, accusing the Democratic command of "making loud noises."

"The administration has not made a basic change in direction, it is on an inflationary trend," he declared. "The poor," he said, "would be hurt more by inflation than helped by any government-sponsored poverty program."

**HE ALSO** criticized the administration for forcing of authority for use of U. S. funds to guarantee Russia credit in its purchase of wheat.

Rep. Taft also said he favors a "complete disclosure of the facts" in the Bobby Baker scandal in Washington.

"The point of the Bobby Baker case to me is not how much there is to it, but will we go along with a complete whitewash of the whole thing," he said. The administration should

## Drive To Open Tuesday

## Household Appeal Slated In City's Cancer Crusade

A door-to-door canvass will open Tuesday in the East Liverpool area in the annual educational and fund campaign of the Columbiana County Chapter of the American Cancer Society.

Mrs. Lawrence Newtz of North St., chairman of the residential appeal, said the organization hopes to "make this the greatest educational effort ever undertaken to help protect people from death from cancer."

She issued a list of women who will act as area captains in the drive. They are:

St. Clair Ave.: Mrs. Robert McDaniel; Taft: Mrs. Harry Fouse; Lincoln: Mrs. Thomas Parsons; McKinley: Mrs. Gene Stockdale; Klondyke: Mrs. Mercedes McFarland; Garfield: Mrs. Clifford Farnsworth. Horace Mann: Mrs. Winston Myers; Neville: Miss Wanda Ni-Castro; Pleasant Heights: Mrs. Dale Channels; LaCroft: Mrs. Donald Thorne; Campground Rd. to Kountz Ave.: Mrs. Kennedy Cunningham.

Radio Heights and Shadyside: Mrs. Leonard Kupchinsky; Gardendale: Mrs. John Woods; Beechwood: Mrs. Michael Carato; West End: Mrs. Lloyd Stover; Dixonville: Mrs. Clifford Gill; Calcutta area: Mrs. George Green, captain, Mrs. J. ## East German Helps 2 Nurses Escape Berlin

**BERLIN (AP)**—A young East German border guard helped two teen-age nurses through barbed wire border obstacles today and escaped with them to West Berlin, police said.

The 21-year-old guard was in uniform but left his weapons behind. The nurses, 16 and 17, came from Thuringia, about 100 miles southwest of Berlin.

## Coup Fails In Laos As U.S. Moves

Souvanna Restored After Rightist-Army Attempts Collapses

**SAIGON, South Viet Nam (AP)**—U.S. diplomatic sources said today the right-wing army coup in Laos had collapsed after one day. U.S. opposition to the coup apparently was a major factor.

"The situation is back where it was 36 hours ago," said an American diplomat who had been in contact with the U.S. Embassy in Vientiane, the Laotian capital.

He said reports were still sketchy, but that diplomatic dispatches from Vientiane said neutralist Premier Prince Souvanna Phouma had been released from house arrest and leaders of the coup had apologized for their attempt to topple the coalition government.

The dispatches said the rebel leaders also apologized to Gen. Phoumi Nosavan, right-wing leader in Laos, who was not linked to the coup.

There was no immediate information on the whereabouts of Souvanna, but he was believed in Vientiane, which was reported calm.

"The situation in Vientiane appears to be gradually reverting to what it was before," an American diplomat said.

In Bangkok, however, the newspaper Thai Rath said that after the report of the coup's collapse, Vientiane radio repeated Sunday's communiques from the military committee which staged Sunday's predawn coup.

Leonard Unger, U.S. ambassador to Laos, had brought pressure on Gen. Kouprasith Abhay, the anti-Communist career officer who led the army group that overthrew Souvanna's coalition.

Secretary of State Dean Rusk, who had been visiting South Viet Nam, said before leaving for Washington that the United States disapproved of the coup and feared it might upset the Geneva accord of 1962 which set up a coalition government for Laos.

## Probe Opens In Air Crash Claiming 17

**WILMINGTON, Ohio (AP)**—Investigators today opened a probe into the collision of two C119 flying boxcars which crashed into muddy farm fields north of nearby Clinton County Air Force Base Saturday night, killing 17 men.

Two survived. All but one of the victims were Army or Air Force reservists from Ohio and Kentucky.

The accident wiped out the base's 12-year-old no-deaths safe flying record.

Officers of the 907th Troop Carrier Group, which operated the big planes, said they did not know what caused the accident. Eye-witnesses said the planes apparently collided in air just before starting an approach to the field. The Air Force would not confirm this and a high-level investigation team from Langley Air Force Base in Virginia arrived on the scene Sunday.

The 907th is part of the 302nd Troop Carrier Wing which was activated at Clinton County Air Force Base in 1952.

Major Edward Hillman Jr., base information officer, said the planes were engaged in a normal night paratroop dropping exercise. Eight of the victims were green-bereted members of the Second Special Force-

# Rail Mediators Report 'Gains' In Strike Talks

**FATAL CRASH.** A grinding collision with a chemical tank truck left a gaping hole behind the driver's seat of this bus, killing two women and injuring 32 others Sunday in East Pittsburgh. Among the injured were a serviceman and woman from Weirton and a Toronto sailor. (UPI Telephoto)

## 3 From Area Hurt In Crash Of Bus, Truck

Toronto Sailor, 19, And Weirton Man Among 32 Injured

Two district servicemen and a Weirton woman were among 32 injured in a bus-truck collision Sunday in East Pittsburgh that killed two women passengers.

The collision between a Greyhound bus and an empty tanker rig of the Chemical Leaman Tank Lines of Neville Island killed Mrs. Edith Henry, 75, of Penn Hills, Pittsburgh, and Mrs. Julia Salada, 60, of Washington.

Airman Chester Richmond, 21, of Weirton was admitted to Mon-sour Hospital and Clinic with possible internal injuries, shock and knee abrasions. He is stationed at Andrews Air Force Base in Washington.

Seaman Ralph W. Smith, 19, of Toronto was admitted to McKeesport Hospital for observation.

Mrs. Mary Gazia, 68, of Weirton was admitted to Braddock Hospital with a cut lip.

Mrs. Salda, a widow, was pronounced dead at Braddock General Hospital. She was not identified until 12 hours after the crash by her brother, Frederick Griffith of New Brighton. She was en route back to Washington after a visit with Griffith and a daughter in Girard.

Police said the tanker rig apparently jack-knifed, crossed the center line and smashed into the oncoming bus at the left of the driver's seat. The tanker ripped a gaping hole along the side of the bus, smashing windows and wrenching seats.

The rig was driven by Rich-

## Hancock Court Cases Delayed For Funeral

**NEW CUMBERLAND**—Judge James G. McClure postponed this morning's session of Hancock County Circuit Court to give county officials an opportunity to attend funeral services in Weirton for A. C. Donell, father of Atty. Don Donell, assistant county prosecutor.

Mr. Donell, 79, died Wednesday at Weirton General Hospital. Requiem High Mass was held this morning at 9 a.m. at St. Joseph The Worker Roman Catholic Church in Weirton.

Judge McClure suspended court until this afternoon at 1:30, when Morton H. Rosenshine, 47, suspended Weirton attorney, was to be arraigned on 11 indictments returned last week by the April Grand Jury, charging embezzlement, grand larceny and forgery.

## Johnson Judged

Europeans Evaluate President

**WASHINGTON (AP)**—President Johnson, in confidential reports many European embassies sent to their capitals, got an "A" in domestic affairs. But grading was deferred in his other major, foreign policy.

A number of Western diplomats, who cannot be quoted, speak with surprising frankness about these reports. Conversations with them reveal that the envoys have amazingly similar views about the Johnson administration.

The explanation for the flattering high mark in domestic affairs is simple. Johnson, the diplomats are saying, has achieved in a remarkably short time good working harmony with Congress, something which they say was on a sadly low level during the last period of the Kennedy administration.

In foreign affairs, however, grading had to be postponed because of what diplomats delicately described as Johnson's reserved attitude on most foreign policy questions which interest this country's European allies.

The envoys of course are aware that 1964 is an election year and that customarily domestic problems push foreign policy headaches into the back-

ground. It is also true, they concede, that the lull in East-West relations relieved the chief executive from making dramatic decisions.

But, one French-speaking diplomat spoke of noblesse oblige—in this case meaning that as the Western world's leader, the United States, election year or not, must continue to give guidance to the West.

There is an almost puzzling similarity among Western diplomats, the French excluded, mildly criticizing the administration's position on Charles de Gaulle. The words they use range from exaggeration to defeatism. De Gaulle is not Europe, the diplomats' reasoning goes. They feel the current Washington thinking grossly overstates the general's power to bring European integration to a halt or to create some kind of a third force.

Washington, it is felt, is apt to forget that De Gaulle brought to France, and through France to Europe, something which was badly needed: stability.

It is highly questionable, some of the diplomats maintain, that Europe would be more advanced on the road toward political integration if there were no De Gaulle.

## Due In Mediterranean

## Navy Slates All-Nuclear Task Force Assignment

**WASHINGTON (AP)**—For the first time, the Navy is about to form all U.S. nuclear-powered surface warships into a single carrier task group, it was learned today.

No other nation, so far as is known, is capable of sending to sea such an all-atomic naval striking force.

The Navy told The Associated Press, in response to questions, that the guided-missile cruiser Long Beach and the frigate Bainbridge will head for the Mediterranean late this month.

Once in the Mediterranean, these two atomic-propelled warships will join the 85,000-ton carrier Enterprise, already with the U.S. 6th Fleet in these waters.

Together, these three vessels represent a construction cost of nearly \$1 billion.

Operating in the relatively restricted Mediterranean probably won't permit a full test of the capabilities of a carrier task

force run entirely on atomic power.

These features are great speed over great distance, and very long endurance because nuclear ships are free of refueling vessels and shore bases.

Certain Navy leaders would like to put an all-atomic task group through its paces in the wide expanses of the Pacific or the Indian Ocean.

## Red Sub Threat Seen

## Very Serious By Navy

**CANBERRA, Australia (AP)**—The Soviet submarine threat in the Pacific is "real and quite serious," the U.S. Pacific Fleet's anti-submarine warfare commander said today.

Vice Adm. John T. Hayward warned that the Soviets "in the not distant future" would be regularly deploying submarines particularly missile launchers, off Australia's coast as well as America's.

## Report Sent To Johnson Gives Hope

President Presses Both Sides To Seek Proper Settlement

**WASHINGTON (AP)**—The White House said today federal mediators have reported to President Johnson "some definite gains" in emergency railroad bargaining talks aimed at averting a nationwide strike.

"However," said White House press secretary George Reedy, "there are some very difficult issues that still remain."

Reedy said one of the mediators told him that the talks have now reached a stage "where to gain an inch is as difficult as it was to gain a foot a week ago."

Reedy said intensive talks will continue, with Johnson maintaining close liaison with the mediators.

Asked whether Johnson was satisfied with the report, made at about 10 p.m., Sunday, Reedy said: "Obviously the only thing that would be satisfactory is a settlement."

He said Johnson commended both sides "for the gains they have made, and urged them to re-double their efforts" to settle the five year long work rules dispute.

Johnson reportedly met with federal mediators and negotiators Sunday night for a report on the 10-day-old talks.

He had called for a report by today but apparently Sunday night's session covered the ground.

Negotiators for five unions and nearly 200 railroads are reported at a stage of practical horse-trading never before achieved in the five-year work rules dispute.

But one source, reflecting the uncertainty of the outcome, said "Nothing is buttoned up until everything is buttoned up."

Failure to reach some sort of agreement may result in a coast-to-coast rail strike at 12:01 a.m. (EST) Saturday.

Federal mediators, working under Johnson's orders, spent the weekend shuttling between union and management representatives in continued intensive

## Terms Given To 3 Men In Lisbon Court

**LISBON**—Three men indicted by the April Grand Jury were given terms today after entering guilty pleas before Common Pleas Judge Joel H. Sharp.

Another defendant pleaded guilty and asked probation while five pleaded not guilty.

Robert E. Wolfe, 40, of Salem was sentenced to the Ohio Penitentiary for 1-15 years when he pleaded guilty to burglary of Schafer's Tavern in Salem on March 14. Wolfe now is on probation on a charge of burglary of a home three years ago, the court said.

Judge Sharp said he will talk with Judge Raymond S. Buzzard, who granted Wolf probation on the earlier charge. Judge Sharp said he will sentence Wolfe on the other burglary count and the two judges then will decide if the terms are to run concurrently or consecutively.

Thomas Allen Blythe, 18, of Salem and David L. Sweeney, 19, of Grove City, both pleaded guilty to operating a motor vehicle without the owner's consent and were sentenced to six months in County Jail and fined \$500. All the fine and all but 70 days of the jail sentence was

be "called to task for its failure to bring a complete disclosure," Rep. Taft added.

Asked to comment on action by Gov. James Rhodes toward stricter state control of strip mining, Rep. Taft said he supported while in the legislature

measures requiring backfill of the strip pits and posting of performance bonds by the concerns engaged in the work.

"I WILL go along with the idea of Gov. Rhodes" on tighter control of strip mining, he said, and also the mine safety laws.

Rep. Taft said he is "hopeful" that Ohio will get a share of the Environmental Health Center program that was proposed to be built in the capital.

"We are doing what we can to keep federal establishments in this area, but keeping their interest is a hard job, as they have leaned towards the coasts and often Texas," he said.

An experienced lawyer and businessman, Rep. Taft carried his senatorial campaign on to Steubenville, Boltaire and Toronto. He is to present an address tonight at a Republican dinner at the S. C. Dennis Junior High School in Toronto.

EN ROUTE TO Steubenville this morning, he planned a

brief stop at the flag pole at the strip pits and posting of performance bonds by the concerns engaged in the work.

Rep. Taft was accompanied by Jack Kelley of Cleveland, his campaign manager, and Pete Johnson of Salem, Columbiana County campaign aide.

He renewed acquaintance with Willis O. Hall of East Liverpool, who headed an Ohio labor group supporting the congressman's father more than a decade ago.

Atty. John McDonald was master of ceremonies for the campaign breakfast, introducing Rep. Taft and Allen Dalrymple of Wellsville, who is unopposed for the 18th District congressional nomination.

REP. TAFT spoke briefly, then answered questions from the gathering. Dalrymple also spoke briefly.

The Rev. Gene Toot of Trinity United Presbyterian Church offered the invocation, and Dennis Smith, head of the Sons of the American Legion of Post 374 of East End, led the Pledge of Allegiance. Carol Walton led singing of "America."

Primary candidates were introduced by Frank Fluno, breakfast committee chairman. Mayor Merrill D. Hall was at the speaker's table with Rep. Taft and other party leaders.

The committee for the event also included John Thompson, Dick Allison, Harold Allison, Clifford Conley, Atty. McDonald, Kenneth Persohn, Mayor Hall and Dick Brian.

Helen Walker and Grace Cartwright were hostesses. Dolores Pelley and Jean Saucer were in charge of decorating the dining room.

## Room For Skepticism In Brazil

Gen. Humberto Castello Branco's accession to the presidency in Brazil has given the West new hope for firming up relations with Latin America's biggest, most important and most unpredictable country.

But Americans heartened by the new President's promise of a tough but conservative regime and his apparent pro-Western sentiments should not overlook one salient point: Castello Branco is a militarist and his is an authoritarian military regime and nothing more.

HE HAS promised free elections in October 1965 for a new president who would take office in January 1966. That, coupled with indications of a possible diplomatic break with Cuba, spells good news for the U.S.

But Castello Branco and Brazil will bear continuing scrutiny. The military coup that deposed leftist

Joao Goulart was fostered by increasing indications that Goulart was "bolshhevizing" the country. But since the coup, the military regime has taken a broad swipe at non-Communists along with the Communists. The press has been censored and deputies have been arrested and dismissed without benefit of trial.

**DISTURBING** as these acts may be, they are not unnatural in the wake of a coup. The new order sweeps out the old and if a few innocents are swept along with the bums, too bad.

But history is so full of uniformed liberators who saved their countrymen from freedom that optimism over Brazil's future must be tempered with some healthy skepticism.

Castello Branco sounds good. We hope his performance will match his pronouncements.

By DAVID LAWRENCE  
When the leaders of the Republican and Democratic parties in the United States Senate join together to warn the organizers of public demonstrations on the racial problem that they must not violate the laws of the land, it's a significant indication of the great concern David Lawrence has that pervades the Congress today lest the civil rights conflict bring a national crisis.

The joint statement was followed by a pointed affirmation of support by President Johnson at his news conference last Thursday. These utterances are the first that have been specifically directed by government spokesmen here to the demonstrators, who now are being told that what they are doing may do more harm than good to their cause.

It was only a few weeks ago when Rep. Adam Clayton Powell, chairman of the House Committee on Education and Labor and one of the most prominent of the Negro clergymen in the country, addressed a mass

meeting of demonstrators at Cambridge, Md.

**AS TRANSCRIBED** by the National Broadcasting Company's radio service, he declared:

"It's divinely right for Martin Luther King to break the law in Montgomery, Ala. It's divinely right for the students to break the law in Jackson, Miss. It's divinely right for the people of Harlem to break the law and keep their kids out of school. It's divinely right for the people of Cambridge, Md., to break the law until they have a share in making the law."

Mr. Powell's line of argument has since then been repeated often by other Negro leaders, and recently plans were announced that a demonstration might take the form of stalling traffic on streets and highways to the World's Fair in New York, particularly on opening day. Hence, what President Johnson and the leaders of both parties in the Senate have just said becomes of major importance as timely counsel to those who are following the paths that lead to violence.

The joint statement issued Wednesday by Sen. Hubert H. Humphrey, D-Minn., majority

whip, and by Sen. Thomas H. Kuchel, R-Cal., minority whip, reads as follows:

"Civil wrongs do not bring civil rights. Civil disobedience does not bring equal protection under the laws. Disorder does not bring law and order."

"We are standing for law and order. We are working for fair play. And we are working for equal protection under the laws for all American citizens. This is the purpose of the civil rights bill."

"THE RIGHT of petition is a basic right in America, but it also is basic to our system of government that there must be respect for the law. No one can condone violation of the law. The main reason we are advocating the civil rights bill is because too many states and too many individuals are defying the law of our Constitution and are denying constitutional rights to our fellow citizens."

"Those who are struggling for civil rights will help their cause greatly by conducting their peaceful crusade with the same good manners, forbearance and devotion so abundantly displayed last August in the civil rights march on Washington."

"Violence is the very antithesis of law and order. Illegal disturbances, demonstrations, which lead to violence or to injury, strike grievous blows at the cause of decent civil rights legislation."

"Unruly demonstrations and protests that bring hardship, and unnecessary inconvenience to others — even by those who have long suffered indignities — are not helping the cause of civil rights. Indeed, they are hurting our efforts in Congress to pass an effective civil rights bill."

**PRESIDENT JOHNSON** said to his news conference on last Thursday:

"We do not, of course, condone violence or taking the law into your own hands, or threatening the health or safety of our people. You really do the civil rights cause no good when you go to this extent. . . . I would counsel moderation to all groups."

Just before the President made his comments at his news conference, the leaders of six of the largest of the country's organization of Negro petitioners for anti-discrimination laws condemned the plan for a traffic tie-up at the World's Fair and said it was contrary to the best interests and needs of the Negro people.

The statement was read at the annual meeting of the American Society of Newspaper Editors, which devoted a part of its Thursday program to a discussion of "civil rights" by prominent Negro leaders.

## Through The Years

**THIRTY YEARS AGO** — Four drum majors were chosen for Lisbon High School for the 1934-35 term — Billy Meehan, Maxine Neal, Rita Brennan and Helen Warwick.

Mrs. R. A. Weinhardt of East Liverpool, a contralto, presented a program over radio station KDKA in Pittsburgh.

Mr. and Mrs. Kenneth Burbick of Smithfield St. moved to Los Angeles.

**TWENTY YEARS AGO** — L. R. DeNunn, Christ Pallas and J. J. Vorndran, members of the Columbiana County Highway Patrol Auxiliary, attended a state meeting of the auxiliary in Columbus.

Wilfred "Babe" Devon was named acting president of the American Tenpin Bowling League.

The Newell Presbyterian Church dedicated an honor roll, a gift from Mr. and Mrs. Homer E. Graham in memory of their son, Lt. James E. Graham.

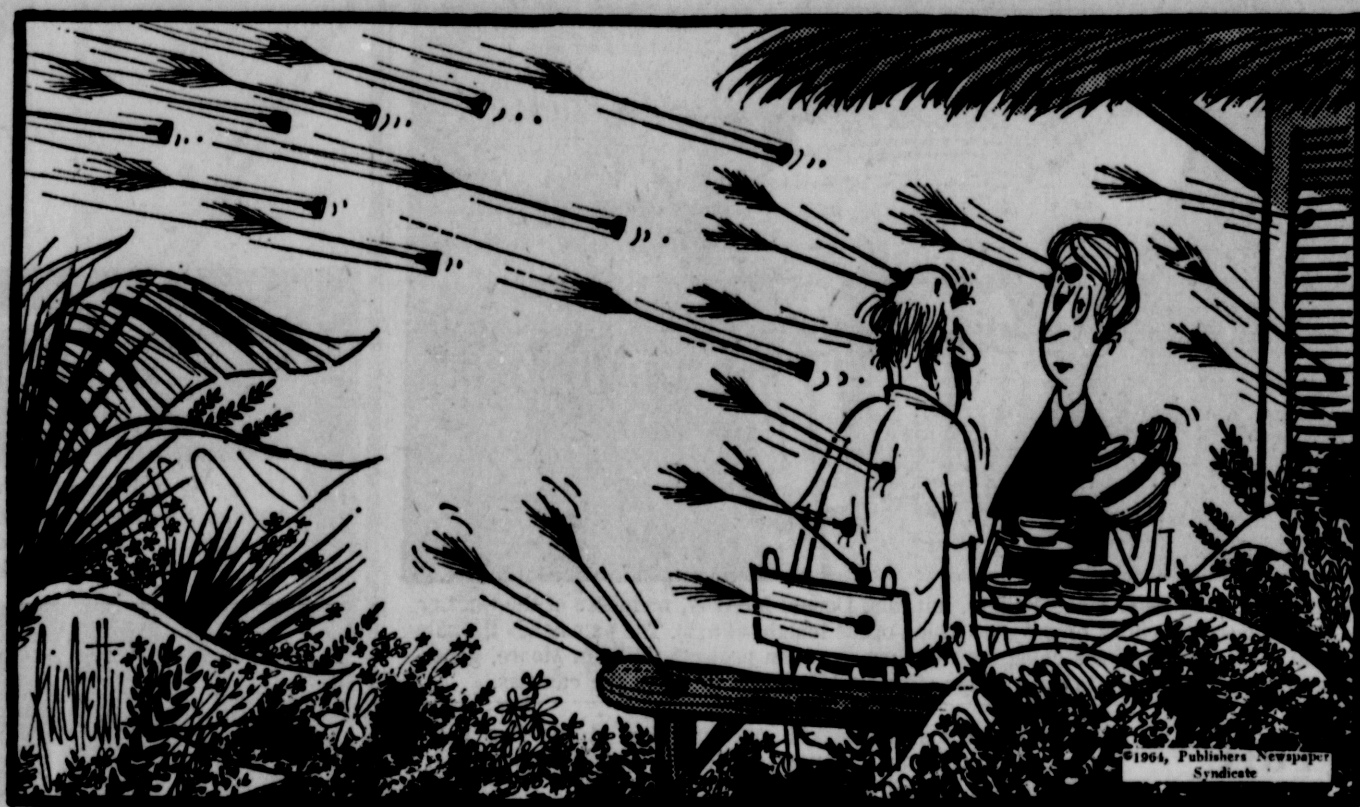

**TEN YEARS AGO** — Walter C. Marciniak was elected president of the First Midland police auxiliary class.

A dropped cigarette lighter, igniting broom sage, started a fire that burned off about 50 acres and damaged 20 fruit trees on four farms five miles from Chester.

Mrs. Juel Lawrence was named Hammondsville chairman of the Jefferson County Cancer Fund drive.

## Labor Leaders Resent Sen. Fulbright Stand

By VICTOR RIESEL  
Sen. J. William Fulbright is being tackled by some heavyweights who are coming in from left of center and not from the right wing.

Influential labor leaders resent the senator's statement that Fidel Castro is a "distasteful nuisance but not an intolerable danger."

The national union leaders, especially those close to Mr. Labor himself, George Meany, interpret this to mean that the gentleman from Arkansas believes the cold war is over.

They don't agree. Furthermore, they plan to take their viewpoints directly to the White House and to Secretary of State Dean Rusk to make clear that they see a parallel between Fidel Castro's iron Communism and Adolf Hitler's iron cross Nazism.

They are flatly charging Sen. Fulbright with appeasement. And they are aiming for a head-on collision with him if he continues his effort to make his views the nation's foreign policy.

**THE SENATOR** already has been hit hard by AFL-CIO President Meany, who eschews diplomatic talk for the bluntness of which he is a master. Meany's first attack on Fulbright was unleashed recently at the United Auto Workers' convention. His criticism of one of the nation's top foreign policy makers went unnoticed by the public.

"As you know, we are not only interested in international labor, we are interested in foreign policy," said Meany whose organization spends more than \$1.5 million annually to aid anti-Communist movements abroad.

"We are interested in preserving a type of society in Amer-

ica under which it is possible to maintain free trade unions."

"The chairman of our Senate Foreign Relations Committee came out . . . with a suggestion that we should accept this idea of Castro as a permanent way of life."

While he concedes it represents a threat to all of Latin America as well as us, he says we must be realistic and practical and accept it. I would like to say that this is the sixth year of the reign of Mr. Castro and he is still going strong.

"Cuba is still a base of Soviet Union anti-democratic propaganda for the Western Hemisphere, and I don't think we can afford to get tired and just say that this man is a fact, a reality, and we have got to accept him."

**AFTER THIS** call for a continuing fight on Cuban Communism, Meany hit Fulbright with the appeasement charge.

"Back in 1938 the democracies of Western Europe got tired," Meany said. "They got tired of fighting for freedom and at that time, of course, very few people in America were concerned with the problem of Adolf Hitler. The labor movement, of course, was concerned. We recognized what was happening 4,000 miles away as a threat to our way of life. . . ."

"England and France were close to this problem, but they got tired, and in 1938 they decided to accept Hitler as a way of life, as a fact, and at Munich they turned over to him the Sudetenland."

"This, of course, was when France was relaxing behind the Maginot Line and while England was asleep. Oh, yes, you remember, Hitler wasn't so bad, they said."

**MEANY THEN** pointed out that the Hitlerian gas chambers and other persecutions followed the Neville Chamberlain "peace in our time" statement after Munich.

## Relaxing From The Math

This past weekend was made to order for recuperation and relaxation for those Tri-State Area residents who waited until just before Wednesday's deadline to file their 1963 federal income tax return.

No one ever has tried to calculate the manhours of dismal drudgery going into the preparation of tax returns. The effort demanded of taxpayers rises progressively with the tax bracket.

Fewer than 360,000 filed returns on a simple, four-page form when the 16th Amendment went into effect 50 years ago.

Today, some 35 million persons find it necessary to use Form 1040, which can require upward of 500 entries — including supplemental schedules — and as many as 200 arithmetic exercises in addition, subtraction, multiplication and division.

The superintendent of documents in Washington sells a 144-page volume which

spells out major technicalities of the law. But the law, itself, is in process of repeated change. New regulations and court decisions alter interpretations. Publishing technical books on taxes and advising people on taxes have become big businesses.

The new Internal Revenue Service electronic auditing equipment has scared at least \$19 taxpayers, and probably many more, into paying taxes they owed, Commissioner Mortimer Caplin told a House appropriations subcommittee.

Form 1040 this April had nothing to do with the huge tax cut voted in February. It is sad but honest to report that the changes voted this year didn't do a thing to make filling a return any easier, although they relieved 1 1/2 million people of all federal tax liabilities.

Next year's tax forms will be just as complicated as those you filled out or paid to have filled out this year.

## The Price Of Seniority

Rep. Everett G. Burkhalter arrived on Capitol Hill last year full of wide-eyed freshman enthusiasm. Now he has had his fill of Washington. After one term in the House of Representatives, he's retiring.

The California Democrat who is 67 himself, is disgusted. The House's senior citizens — committee chairmen and ranking members — run the show. "I never even get to ask a question," he grumbles. "There are 435 members but only about 40 call the boss, and they are nearly all around 70 or 80," complained Burkhalter. "A lot of these old men are living in their dotage," he added.

Rep. Burkhalter, who was in public office in California for 20 years before going

to Congress, advocates limiting House membership to 16 years (eight terms) and putting an age limit of 70 on candidates. He has announced that he would introduce such a measure.

While Rep. Burkhalter's proposal might end the stranglehold of old men, it also might deprive the nation of much needed experience and wisdom.

Some old men in Congress should be retired perhaps. Perhaps some should never have been elected in the first place.

However, the selection of representatives should be left to the voters of their districts. A piece of legislation cannot protect the public from the follies of Congress whether the congressmen be old or young.

## If People Were More Honest . . .

One of those engrossing topics that high school and college debaters pounce on has been opened for discussion by a British experiment in welfare statism.

The British will have a go at compensating victims of crimes of violence for financial loss, on the grounds that the state owes protection to persons injured because the protection wasn't adequate.

Thus, the victim of a crime of violence would be given as a matter of right what he now can get, if at all, only as a matter of privilege by consent of the forces that govern him.

It is significant that initial reaction in the United States from the idea veers intuitively to the likelihood of widespread cheating if such a thing were tried. Dis-

honest people, it is conjectured, would claim compensation for fake injuries, exactly as they do now with insurance coverage.

Everything remotely collectible would be tried, even to the extreme of hiring thugs to inflict injury that could be turned into state compensation. And how would compensation be paid — in cash that could be frittered away, in annuities, vouchers for medical expenses, subsistence allowances?

We turn the subject over to the debaters without further ado. They should be able to chew on it as long and futilely as they have chewed on all the other propositions — Resolved: That etc. We can't recall that anything ever was settled one way or the other.

## Cotton Corners

By Truman Twill

Dear Nephew: We two delirious tree-men congratulate you on your tree-planting project this Spring. If your legs and back hold together, you have a chance to grace this good earth with a thousand of your trees, which might well be the most important accomplishment of your lifetime.

There is no reason for you to be concerned about people who accuse you of being feeble-minded for putting so much effort into something that cannot make a profit for you. They do not share your feeling about putting back something on the earth to make up for all the things that have been destroyed. They cannot help it. They were born that way.

Your aunt and I can remember when the first pangs of bad conscience were being felt in this country about mass-scale destruction of trees for profit, with nothing put back to cover the scars. We remember an auto trip years ago in Wisconsin, through miles of burnt-over woodlands, all that was left after the timber barons had taken out the usable trees and left the fire-hazardous scrub growth as an ugly monument to greed. It was as sad a sight as the strip-mined land that shocks us today. We wept. We always feel like weeping when men rob the earth of its dignity.

**YOU MUST** be prepared for the possibility no one will bless you for your conservation effort. They may even curse you for doing something they will have to undo with bulldozers and dynamite if your trees get in the way of their parking lots, shopping centers and freeways.

"The Plow That Broke the Plains" was a toy compared with the juggernauts we now have available for distorting and aborting nature's plan for preserving life.

All the conservation efforts that a handful of sympathizers have made can be undone in a few hours of systematic violence. Even more tragic, they can be undone by silly, thoughtless acts. But these are part of the game. There is no guarantee of success.

The odds are against conservationists, but they keep gambling. They get credit for their good intentions, and occasionally they win. And they get the satisfaction of knowing they tried to leave the earth a little better than they found it. That's the main thing.

**YOUR AUNT** and I have had the satisfaction of preserving our grove of sugar maples. We spent last Sunday out there, watching another summer shape up and tidying up the sugar camp for the picnics that will be forthcoming. The place has become a cathedral for us. Whenever we are in it, we have reverence and in sight we are unable to duplicate anywhere else.

We dare to think some of this feeling may have been transferred to you by years of association with two old delirious treemen. Forget your aching back and keep up the good work.

When the scores are tallied and you need extra points, you can mention that once you sprained your back to plant trees. We're sure it won't be counted against you.

Give our regards to the family and urge them to help you pray for a rainy Spring. **COTTON CORNERS UNCLE GEORGE**

in front of him. He said he applied his brakes, but his car skidded on the wet pavement. Ludwig told officers he halted for the stop sign at the junction and had started to pull out as Bigler rounded the turn. "I speeded up to avoid the accident, but we hit anyhow," he related.

A West End man was cited following a collision Sunday at 10:12 p. m. on W. 8th St. 150 feet east of Lisbon St.

The collision involved a 1961 four-door sedan driven by Paul E. McDole, 30, of 916 Florence St. and a 1958 four-door sedan operated by Terry Lee Lawrence, 16, of Riverside Park, officers said.

McDole said he saw a car going down the street with a door ajar and when he glanced at it his auto hit the rear of the halted Lawrence auto. Lawrence said he had stopped to check a noise in the right front wheel of his car.

McDole was cited on a charge of failure to stop in the assured clear distance.

Pleading guilty today before Municipal Judge Samuel M. Chertoff, McDole was fined \$15 and costs.

An auto was damaged in another unusual mishap at W. 5th and Jackson Sts. Sunday at 9 p. m., officers said.

The collision involved a 1963 sedan operated by Edward W. Sheets Jr., 16, of 1108 Riverview St. and a 1955 auto driven by Layman E. Rice Jr., 19, of 316 Grant St., Newell.

Sheets told police he was halted at a traffic signal when his car was hit from the rear. Rice reported his attention was distracted by sparks coming from underneath the dash of his auto. As he looked back toward the street, he saw the Sheets auto, applied the brakes and skidded into it, he said.

A mishap at Minerva St. and Daisy Ln. Sunday at 10:41 p. m. involved a 1962 four-door sedan driven by Leslie Lee Wine, 45, of 951 Huston Ave. and a 1960 four-door sedan operated by Walter R. Freeman, 20, of 726 Daisy Ln., officers said.

A mishap at Dresden Ave. and Webber Way at 8:07 p. m. Saturday involved a 1959 four-door sedan driven by Ralph F. Stanley, 54, of Glenmoor and a 1955 model station wagon operated by Robert W. Poole, 38, of Post Office Box 534.

A taxi of the Yellow Cab Co., operated by Edgar Greathouse, 47, of Lisbon R. D. 3, and a 1956 model station wagon driven by Charles H. Purton, 61, of 941 Bank St. were involved in a minor mishap Sunday at 7:07 a. m. on W. 6th St. at Jefferson St., police said.

A mishap at E. 5th St. and Crook Alley Saturday at 2:11 p. m. involved a 1957 sedan of Dora B. Taylor, 32, of Boyd St., Dixonville, and a 1962 sedan driven by Amos E. McClure, 61, of 870 Township Line Rd., Wellsville, officers said.

The woman said she was getting into her auto, the door was open and McClure's car struck it. McClure said he was driving west when the woman opened the door into the path of his car.

Gerald L. Grimm, 22, of 213 Union St., East Liverpool, pleaded guilty and requested a probation investigation. He is charged with burglary Sept. 17 at the Iron City Distributing Co. in East Liverpool.

Pleading not guilty were: John Pounds, 33, of Alliance, a \$90 armed robbery at Lippitt's Linoleum Store west of Salem Feb. 27.

George Mellinger, 58, of Akron, non-support of three minor children.

Sanford A. Davis, 43, of Smiths Ferry and James Davis, 26, of Substation Rd., East Liverpool, armed robbery of Leona Ward and Ida Ward of near Negley Aug. 30, 1963.

**Luck Saves City Man From Joining Mission**

For the first time since 1961, James S. Hilbert, 601 Henry Ave., missed a paratroop training mission with the Second Special Service Group—and it probably saved his life.

Nine members of the unit were among 17 killed when two "flying boxcars" apparently collided while approaching Clinton County Air Base near Wilmington Saturday night.

Hilbert, a second lieutenant in charge of parachute rigging, had been participating actively since 1961 with the unit, part of the First Special Forces, 20th Army Corps, at Ft. Hayes, Columbus.

He went back on inactive reserve duty a few weeks ago after accepting a new federal job. Hilbert entered the Army in 1953 and served three years with the paratroops and then went on the inactive list. He began jumping again at his

own request in 1961 when he was attached to the Special Service group.

8 Appear In City Court

Licenses Of 5 Motorists Lifted In Traffic Cases

Five motorists had their driving permits suspended and three others were fined for traffic violations today in Municipal Court, including five cited by the State Highway Patrol using radar equipment to check speeding on the East Liverpool-Wellsville Rd.

Harold William Boyd, 724 Price St., was fined \$15 and costs and had his permit revoked for 30 days by Judge Samuel M. Chertoff after he pleaded guilty to speeding 75 miles an hour.

Boyd was cited Saturday at 11:21 p. m. on the East Liverpool-Wellsville Rd. by the patrol, which said traffic was heavy.

Ronald Roscoe Cochran of Glenmoor was fined \$25 and costs and his license was suspended for 15 days. He also was cited Saturday night for traveling 75 miles an hour.

Ralph Ronald Springer of Valley Trailer Court was fined \$15 and costs. He also was cited by

the patrol Saturday night on the East Liverpool-Wellsville Rd.

Benny Dale Beebout, 25, of Glenmoor, cited Wednesday night by the patrol for traveling 70 in a 50-mile zone, was fined \$15 and costs and his permit was revoked for 15 days.

Dewey William Bunnell of Negley R. D. 1, cited Thursday for traveling 65 miles an hour, was fined \$15 and costs.

Howard David Guildoo, 249 Highland Ave., Wellsville, cited in the patrol's Saturday night radar check for traveling 65 miles an hour, forfeited a \$17.50 bond.

When Ernest Wayne Freeman of Glenmoor, also cited Saturday night for speeding 75 miles an hour, failed to appear, Judge Chertoff ordered a check made with the Lisbon barracks. If no bond has been posted, a bench warrant will be issued, the judge said.

Robert Brent Koonitz, 18, of Shadyside Ave. had his license revoked for 30 days and was ordered to pay costs after plead-

ing guilty to an illegal registration charge.

Koonitz also was fined \$15 and costs on a charge of failing to yield the right-of-way.

He was cited by police after a collision Friday night on W. 8th St. at the intersection with Lisbon St. and the eastbound freeway ramp.

Russell H. Finley, 68, of E. 4th St., cited Friday afternoon for improper backing, had his permit suspended for 30 days after being convicted following a brief hearing. He had pleaded not guilty.

Lisbon Cars Collide

LISBON — Police said Dorothy Bartholow, 47, of 122 Sherman St. backed her car into an alley at the rear and struck the parked auto of Agnes E. Peterson, 737 Sunset Dr., Friday night at 7:40 with minor damage to the door of the latter's.

900 Attend Area Democrats' Rally

Nine hundred attended the 18th District Democratic rally Saturday night at Steubenville.

Guest speaker was U. S. Sen. Gaylord Nelson of Wisconsin. Also speaking was Rep. Wayne L. Hays of Flushing. Atty. Hugo Alexander of Steubenville, Jefferson County party chairman, was toastmaster.

Each county chairman introduced his county's candidates. Don R. Gosney, Columbiana County chairman, headed the area delegation.

Nelson talked on domestic problems such as civil rights, unemployment, poverty and foreign affairs.

He said these problems must be resolved in Congress. He said the present Congress is receiving much criticism because it is

dealing with controversial issues never touched on before.

Nowadays some sponge-cake type recipes call for whole eggs beaten until stiff. If you are using a recipe of this sort, have the eggs at room temperature so they'll beat up in the best volume.

# Ann Landers

## ANSWERS YOUR PROBLEMS

Dear Ann Landers: Jake and I have been married 12 years. He is a considerate man who loves his children, his home and me. A woman couldn't ask for a better husband.

There is only one thing that bothers me. I think I have the answer figured out but I want your opinion before I settle on it.

Jake and I sleep in a big bed—what you might call a king-size. He always has been a restless sleeper, but lately he is more restless than ever. He has hit me a few times in his sleep. The next morning he doesn't remember anything. Last week he almost broke my nose.

I know Jake used to sleep with his brother Max when he was a kid and they fought all the time. (They still do.) I think when Jake hits me he is dreaming of his childhood and he thinks he is hitting Max. May

I have your opinion? — NOT MAD.

Dear Not Mad: After 12 years I would hope your husband doesn't think he is still sleeping with his brother. But dreams often take us back a good many years, and it may well be that Jake is reliving his childhood.

You are (to understate it) generous to give him the benefit of the doubt. Jake should be equally generous and buy you twin beds.

### Vox Populi?

Dear Ann: Today two friends dropped by and four women telephoned to ask, "What's new?" The last gal I talked to said, "Liz, you know everything! You're better than the newspaper."

This caused me to stop and take stock of myself. Am I the town "Big Mouth"? Is this why friends come over? Is this why I get at least five telephone calls a day? I hate to think so, but I'm afraid it's true.

I love people. I'm not vicious and I wouldn't call myself a gossip, but I just can't seem to keep news to myself. If I know something I have to tell it.

At the moment I dislike myself intensely for talking so much. Will you please discuss this in your column and express your views?—WHAT'S NEW?

Dear What's: No one sees

himself as a vicious gossip but by your own admission, you are a central clearing house for information. You do it because it gives you a feeling of importance.

I've said it before but I'll say it again — perhaps you will recognize yourself somewhere between the lines. Brilliant people talk about ideas. Ordinary people talk about things. Small people talk about other people.

### Phony Pays

Dear Ann: Almost a year ago I made a \$5 bet with one of my best friends. She said your column was on the level and that people really do have all those problems.

I said either you make up those letters or the people who write to you make them up because such things just don't happen.

To prove my point, I bet my friend \$5 that I could make up 10 letters and that you would fall for at least one. I knocked my brains out composing letters I thought would make great reading.

Well you didn't tumble for a single letter and now I have to pay the \$5. Please tell me how you spot the phonies. — POORER BUT WISER.

Dear Wisen: Phony letters are like phony people. They have an insincere quality — contrived and unnatural.

Phony letters are overwritten, much as phony people overdo and overact.

A bank teller who handles money all day develops a sixth sense about counterfeit. I can spot a klinker in much the same way. Of course I get fooled now and then but I'll bet it doesn't happen very often.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

### Mastermind Of Phony Check Ring Arrested

CINCINNATI (AP) — Nathaniel Stubblefield, 34, described as "mastermind" of a phony check ring in eastern, southern and midwestern states, is being held here.

The FBI said Stubblefield was one of seven persons indicted in South Carolina in connection with the stolen and forged check and money order ring. The others have been arrested. Stubblefield was jailed in lieu of \$30,000 bond.

## AP Reports Gains In '64

By JAMES DEVLIN

NEW YORK (AP)—Directors of The Associated Press told the membership today that The AP is "in the healthiest condition in its history."

The directors' annual report, noting a gain of 814 members and subscribers in the past year, was read at the AP annual meeting prior to a luncheon addressed by President Johnson.

Changes have been made in many areas to improve service and increase efficiency of the worldwide news cooperative, the report said.

"A good deal of emphasis was placed on technological advancements, but the management and the board are aware that it is still the cooperative structure of The Associated Press which accounts for some of The AP's greatest successes," the directors said.

They cited as examples the cooperation of Dallas and Alaska newspaper and broadcast members in coverage of the assassination of President John F. Kennedy and the Alaska earthquake.

AP members voted at the meeting to fill seven directorships on the 18-member board and voted on the application of 16 associate member newspapers for regular membership.

In a special program, filmed interviews with British Foreign Secretary R. A. Butler and French Foreign Minister Maurice Couve de Murville on world questions were presented.

### Investigator Waited For The Lounge Fire

An investigator from Charleston is expected to arrive tonight to probe the \$30,000 blaze which gutted the interior of "The Lounge," a tavern-restaurant at the top of the Route 30 Chester Hill, early Friday morning.

Lawrenceville volunteer firemen asked the state fire marshal's office to send the investigator. The fire may have been started by faulty wiring, as the circuits in the building had been struck by lightning over a week ago.

The one-story structure was leased by Joe Timmons of Laurel Heights. The fire ruined the interior and the loss of equipment was estimated at \$15,000.

### Women's Cars Crash On Route 30 Stretch

Cars driven by Faye Louise Hillberry, 32, of Lisbon R.D. 3, and Jean Daniels, 48, of Beaver Falls collided Friday at 12:55 p.m. on Route 30 about five and a half miles east of Route 9, according to the State Highway Patrol at Lisbon.

Officers said the Pennsylvania woman was following another car. She pulled out to pass as the Lisbon area woman started to pass her. Minor damage resulted.

Donations of \$5 to the Pitts family missionaries in Marysville, Tenn., and \$10 to the building fund were approved when the Gleaners Class met at the Methodist Church Thursday night.

Ten members and a guest, the Rev. Ralph Hedrick, attended the coverdish dinner.

The treasurer reported \$87 in the fund for the project of painting the interior of the church. Mrs. Eloise Smith, vice president, presided.

Plans were made to observe "Gleaners Class Sunday" May 24, with Mrs. Ruth DeLong and a committee to compile a history of the group. The class has been invited to attend "Fellowship Day" of the Westminster United Presbyterian Church of Chester May 1, with the women of the church also to attend.

The fund-raising project for May will be "Talent Dollars." Oral McGown, teacher, led devotions and read Ps. 51. There was group singing, and Mrs. Laura Hedrick led prayer.

Chamber Summary

11 Indices Climb In First Quarter

Paced by big increases in factory employment and payrolls, 11 of 13 East Liverpool district business and industrial indices reached levels in the first quarter of 1964 that were ahead of the first three months of 1963.

Only two indices down in the comparison of the first quarters of the two years, the Chamber of Commerce said in its monthly summary of conditions. A comparison of the March and February levels of the same 13 indices showed gains in seven and declines in six.

PAYROLLS at 11 plants hit \$3,750,139 in the first quarter of 1964, up 18.6 per cent from the \$3,169,181 shown at the same time in 1963. The plants disbursed \$1,198,965 in wages in March, off 6.2 per cent from February's \$1,278,419.

Employment averaged 3,642 monthly at the same plants in the first quarter of 1964, a gain of 13.8 per cent from the average of 3,201 shown at the same time in 1963. The concerns had 3,632 employees in March, off 1.9 per cent from the 3,704 in February.

Car sales moved along with the general upturn.

NEW CAR sales in Columbiana County hit 861 in the first quarter of 1964, a gain of 26.6 per cent from the 696 listed at the same time in 1963. They totaled 395 in March, up 68.1 per cent from the 235 listed in February.

Used car sales totaled 2,750 in the first quarter of 1964, a climb of 7 per cent from the 2,570 shown at the same time last year. They jumped to 1,150 in March, a boost of 114 per cent from February's 700.

Gains in railroad carloadings accompanied the rise in industrial activity.

Inbound carloadings hit 632 in the first quarter of 1964, a gain of 8.2 per cent from the 584 shown at the time in 1963. They totaled 232 in March, up 18.4 per cent from February's 196.

OUTBOUND carloadings totaled 1,182 in the first quarter

of 1964, rising 17.4 per cent from the 1,007 shown at the same time in 1963. They hit 402 in March, up 5.5 per cent from February's 381.

District dams locked through 1,320 tows in the first quarter of 1964, an increase of 31.9 per cent from the 1,001 listed in the same period of 1963. March saw 417 tows through district waters, a drop of 11.3 per cent from February's 470.

The first quarter's river traffic represented 4,356,150 tons of cargo, a gain of 27.6 per cent from the 3,413,100 tons shown in the same time during 1963.

THE TOWS handled 1,364,950 tons of cargo in March, a drop of 10.9 per cent from the 1,531,800 listed in February.

Parking meter receipts hit \$12,984 in the first quarter of 1964, off 7.4 per cent from the \$14,015 listed at the same time in 1963. The meter income totaled \$3,785 in March, off 27.2 per cent from the \$5,199 shown in February.

The city's relief case load averaged 111 monthly in the first quarter of 1964, down 1.8 per cent from the 113 shown in the same time during 1963. March showed 106 cases, off 8.6 per cent from February's 116.

BANK CLEARINGS hit \$10,176,438 in the first quarter of 1964, up 7.9 per cent from the \$9,431,153 listed at the same time in 1963. They totaled \$3,392,684 in March, up 6.2 per cent from the \$3,195,947 shown in February.

Bank debits averaged \$24,608,830 monthly in the first quarter of 1964, a gain of 10.6 per cent from the \$22,241,860 average shown at the same time in 1963. The debits hit \$25,387,417 in March, up 6.4 per cent from the \$23,849,637 listed in February.

Postal receipts totaled \$67,178 in the first quarter of 1964, down 5 per cent from the \$70,708 shown at the same time in 1963. They reached \$21,501 in March, falling 10.2 per cent from the \$23,949 listed in February.

Staff Pushes Work On Tax

The city income tax office staff today began the job of opening and checking several hundred mailed tax returns, containing final reports on the 1963 tax and estimates of 1964 income.

D. G. Wilkinson, tax commissioner, said the job is expected to take until the end of the week, explaining the mail hasn't been opened because of a last-minute rush of taxpayers.

The office was "very busy" Saturday, Wilkinson said, although there was no long jams and the office was closed at noon, as usual.

A \$5 penalty for belated filing now is being applied to all returns with the exception of a few cases in which extensions were granted. However, if those granted extensions do not file by the time specified, the penalty also will be applied, he said.

The deadline for filing originally was Wednesday but an extension was granted until Saturday noon after the staff was swamped with a last-minute rush.

The final returns for 1963 and estimates of 1964 income are required only from those whose entire income is not subject to withholding at the source. In filing the 1964 estimate, the taxpayer must estimate at least 25 per cent of the amount due.

Nixon Shows Gain In Ohio GOP Survey

By ART PARKS

Associated Press Writer

COLUMBUS, Ohio (AP)—Sen. Barry Goldwater appears to be losing some ground on the Ohio political scene, and Richard M. Nixon is still on the way up in the Associated Press' most recent poll of the state's Republican county chairmen.

The former vice president, in a poll of the chairmen just completed, is only a hairsbreadth from 50 per cent among those willing to predict the GOP presidential nominee.

The Arizona senator in the first Associated Press poll of Ohio Republican leaders last October, was a runaway favorite with 80 per cent predicting his nomination. By December, a month after President John F. Kennedy's assassination, Goldwater had slipped to 30 per cent. Now he is down to 18 per cent among the 56 county chairmen who replied to the third poll.

Some other key points developed by the new probe into professional political leanings:

Gov. William Scranton of Pennsylvania is gaining strength as a possible compromise nominee.

The write-in victory of Ambassador Henry Cabot Lodge in the New Hampshire primary has created scarcely a ripple in Ohio. His standing in the poll is exactly the same as it was in December.

Gov. James A. Rhodes of Ohio, Nelson Rockefeller of New York and George Romney of Michigan continue to draw a mention or two along with Sen. Thurston Morton of Kentucky.

Two questions were asked of the GOP county chairmen:

—Who is your personal preference for the presidential nomination?

—Whom do you believe the convention will nominate?

Here are the results:

	favors	to win
Nixon	20 1/2	27 1/2
Goldwater	17	19 1/2
Scranton	8 1/2	8
Lodge	4	6
Rhodes	2	2
Rockefeller	1	1
Morton	1	1
Romney	1	0

(There were four split votes on the first question and 12 on the second.)

Comments on the Nixon side of the ledger:

H. W. Edwards, Lawrence County (Ironton): "In my opinion Nixon is the best-known and strongest candidate in the field. The delegates are politicians, politicians like to win. I am one. I ought to know."

J. R. Moser, Butler County (Hamilton): "Mr. Nixon neither represents the left nor the right, but represents the middle - of-the-road policy. America does not want extremists in government."

Admissions Hit 6,045

At Annual Home Show

A total of 6,045 paid admissions was recorded at the Home Show held by the Junior Chamber of Commerce Wednesday through Saturday at the former car barn in East End.

Vincent Laneve, chairman said this is a new record for the annual event. A total of 2,260 were registered at the door Saturday afternoon and night. Area merchants who had displays started moving them Sunday. All have to be moved from the building today. Laneve said the show was the best the Jaycees ever have put on.

Grant Democrat Group Re-Elects Graham As Head

William C. Graham, given a second consecutive term as president, headed a slate of officers elected at a meeting of the Grant District Democrat Club Sunday at the Chester VFW Hall.

Others elected are Irwin Higgs, first vice president; Julian C. Wilson, second vice president; Miss Alberta Stravinsky, secretary, and Miss Donna Wright, treasurer.

Unopposed were Graham, Wilson, and Miss Stravinsky. Gary Durham withdrew from the contest for second vice president, and Sherwin Williams withdrew as a candidate for president. Miss Wright was elected to her fourth term.

Graham presided. There were 22 candidates in the May 12 primary present. Lunch was served by Mr. and Mrs. Williams and Mr. and Mrs. Higgs.

There will be a special meeting May 8 for all candidates, with the place to be announced later.

Payrolls Boosted In Ohio Over '63 Survey Reports

COLUMBUS, Ohio (AP) —

Total February payrolls in Ohio rose 1 per cent from January and were 5 per cent above the February 1963 figure, the Ohio State University Bureau of Business Research reports.

All of Ohio's major cities showed payroll gains from January to February except Cincinnati and Toledo, the bureau said in its report Sunday.

Akron and Dayton made fractional gains, the bureau said, while Youngstown was up 4 per cent, Canton and Columbus up 2 per cent and Cleveland up 1 per cent. Cincinnati and Toledo were down a fraction.

Compared to February 1963, the bureau said, all the cities showed gains this February, ranging from 1 per cent for Cincinnati to 11 per cent for Cleveland. Akron was up 5 per cent, Canton 8, Columbus 10, Dayton and Youngstown 7 and Toledo 6.

LISBON — Mrs. Anna Lacey, formerly of 312 E. Lincoln Way, died Saturday at 11:30 p. m. at the home of her daughter, Mrs. Erling Thorkildsen of Leroy, N. Y. She was 82.

Born July 13, 1881, in Lisbon, a daughter of Henry March and Maria Frost March, she lived in Lisbon until she went to New York 22 months ago. Her husband, Elbert Lacey, died in 1929. Mrs. Lacey was a member of the Methodist Church, Pythian Sisters and Daughters of America.

She leaves another daughter, Mrs. Austin Wright, also of Leroy, four grandchildren and five great grandchildren.

Services will be held Wednesday at 1:30 p. m. at the Henry Funeral Home by the Rev. Frederick Shiltz.

Burial will be in Lisbon Cemetery.

Friends may call at the funeral home Tuesday evening.

## County Boy Wounded In Accident With Rifle

SUMMITVILLE — An area youngster was injured, not seriously, when his rifle accidentally discharged Sunday at 11 a. m.

Bird shot lodged in the thumb and grazed the forefinger of the left hand of Robert Ramsey, 14, when his .22-caliber rifle discharged as he was alighting from a corn crib.

Constable Forrest Young said the youngster had been in the corn crib shooting birds and put the rifle down as he climbed from the building. The weapon discharged accidentally.

Son of Mr. and Mrs. Fred Ramsey and a student at Southern Local High School, he was treated by a local physician. The family resides at Salineville R. D. 2, about three and one-half miles from Summitville.

## Mrs. Hupp Elevated

## Legion's Auxiliary Elects

Mrs. Mae Hupp of Newell, center, was elevated to 1st District president at the annual spring convention of auxiliaries of American Legion posts Sunday at Lawrenceville Post 163.

She is flanked by Mrs. Reva Price, left, president of the host unit, and Mrs. Marie Bailey of New Martinsville, retiring 1st District president. A resident of 601 Harrison St., Mrs. Hupp becomes the first president of the district from Hancock County.

She is a charter member of the auxiliary of Newell Post 114 and has served in most offices. She has been district vice president for the last two years. Mrs. Hupp also is active in the 8 & 40, and has served as chapeau of the county unit and secretary - treasurer of the state group.

Mrs. Gladys McConnell of Moundsville was elected new district vice president at the convention, attended by 125. Installation of officers will be held at the state convention in Huntington July 25.

There were delegations from Fairmont, Paden City, New Martinsville and other units in the Northern Panhandle. Mrs. Goldie Snyder, 79, of Hundred was the oldest present and Mrs. John Barton, 18, of Lawrenceville, the youngest.

Eleven Gold Star mothers were recognized and presented gold-colored corsages. They included Mrs. Julia Davis of Chester and Mrs. Fisher of Lawrenceville.

Mrs. Price gave the wel-

come and Lilly Spiro of Fairmont, the response. The delegates also were greeted by Virgil Williams, commander of Lawrenceville post. Mrs. Virginia Eller of New Martinsville was conference secretary.

Guests at the noon luncheon were H. Paige Bell, department commander, and Tommy Jones, adjutant.

The host unit awarded 30 prizes and also presented Mrs. Bailey with a set of china-ware. All of the district and department officers received gifts of stainless steel steak knives.

During lunch, entertainment

was provided by a musical group known as the "West Virginia Hillbillies."

The fall conference will be held in October in Cameron.

## Chester Crash Hurts

## 3 Cleveland Residents

Three Cleveland residents were injured in an auto accident Saturday afternoon on Carolina Ave., Chester.

Mrs. Ella Stoscheck, 59, driver of one of the cars, was treated at City Hospital for contusions to the left side of her forehead.

Also treated were Robin Arnold, 2½, daughter of Ronald Arnold of Cleveland, who suffered contusions to the left front of her head and superficial abrasions to the top of her head, and Mrs. Dorothy Hopton, 45, of Cleveland who had contusions to the left temple area and a possible sprain of the lower spine.

All the injured were in the auto of Mrs. Stoscheck, which collided at the foot of the Route 30 hill with a car driven by Clayton Hoy of Mather, Pa. Total damage was set at \$900. No one was cited.

## 900 Attend 'Open House'

## New School Dedicated At Chester

Large crowds attended the dedication ceremony for this new \$397,775 Chester Primary School Sunday afternoon, featuring an address by a southern educator and presentation of the modernistic building to the Hancock County Board of Education.

The program was held indoors, with a crowd of nearly 900 on hand to hear a dedicatory address by Miss Evelyn Murray of the University of Tennessee, former West Virginia school teacher. About 900 attended the "open house" that followed.

The brick school was erected by the Knowlton Construction Co. on a 15.6-acre tract that lies in the rear of the

Arner Funeral Chapel and stretches to the banks of the Ohio River. Containing 18,357 square feet of space, the building opened Nov. 22 and has an enrollment of 312.

The school was presented by Charles McKinney, assistant county superintendent, on behalf of the architect, William E. Kellam of Columbus, who was unable to attend. It was accepted by Dr. W. Dale Williams of New Cumberland, president of the County Board of Education.

Supt. Robert H. Hall introduced guests, and Dr. Williams gave the welcome. Mrs. Audrey Litman, elementary curriculum co-ordinator for

the county, led the group in the Pledge of Allegiance. The Rev. Robert P. Thomas of the Church of the Nazarene offered the invocation, and the Rev. William L. Claghorn, minister of Westminster United Presbyterian Church gave the benediction.

There were selections by the Chester Junior High School Band, directed by J. Warren Campbell.

Guests included Thayer Allison, principal; Mrs. Mabel Wagner of Lawrenceville, president of the County PTA Council; Mrs. Mary Sturgis and Mrs. Elizabeth Tuttle, retired elementary teachers, and Rev. Thomas, president

of the Chester Primary PTA. The H. E. Neuman Co. of Wheeling was contractor for the mechanical work. Sayre Electric Co. of East Liverpool had the \$34,605 electrical contract.

The board purchased the site for \$88,000 several years ago and the building was erected with proceeds from a \$5 1/4 million bond issued passed by county residents for school expansion.

Near the primary school is a large brick building to be used as a centrally located kitchen to serve all schools in Grant and Clay Districts when the hot lunch program opens next year.

## Church Women At Clarkson Plan Work Session Tuesday

The women of the Clarkson United Presbyterian Church will meet Tuesday afternoon at the church for a work session.

Those who can not give their time in the afternoon are asked to report in the evening.

A meeting of the church Session is set for Tuesday at 8 p.m. with the Rev. Robert I. Moore, pastor, in charge.

A council meeting is scheduled for Wednesday night at 8 at the church.

Mr. and Mrs. Harry Thompson and Mr. and Mrs. Robert Smith and son, Bobby Jack, were dinner guests of Mr. and Mrs. Lloyd Smith of Alliance Sunday.

Robert Hamilton of Lisbon and Mr. and Mrs. Carl Wollam of Calcutta were Sunday guests of the latter's aunt, Mrs. Blanche Williams of Beaver State Park.

Mrs. Helen Warrick has returned home to Albany, N. Y., after visiting Richards Lyons and Miss Florence Lyons.

Alan McGhie and Mrs. Isabelle Hart of Wellsville were guests of Mr. and Mrs. C. R. Saint and Mr. and Mrs. Clyde Weice Sunday.

Mrs. Frankie Henderson of Columbiana is a guest of her grandson and his wife, Mr. and Mrs. Leland Henderson and family.

Danny Henderson, 14-month-old son of Mr. and Mrs. Donovan Henderson of the Sprucevale - Clarkson Rd., is a patient in City Hospital. He is recovering from three broken ribs received in a recent auto accident.

Laurie Hauserman, daughter of Mr. and Mrs. Donald Hauserman, is ill at home.

## Bidders Ignore Sale Of Salineville School

SALINEVILLE — No bids were received by the Southern Local Board of Education at an auction held Saturday afternoon in an effort to sell the 69-year-old former Central School.

A bid of \$3,100 was turned down by the board in March.

The board will now decide the next step to take. The building now can be sold privately, if the board wishes.

## 3 Blazes Quelled By City Firemen

Three miscellaneous fires kept firemen busy Saturday afternoon.

Most of the time was spent in quelling a fire in a vacant lot at 1112 Ohio Ave., firemen said.

They were called at 1:45 p.m. when a pile of lumber was ignited from an undetermined cause and the blaze spread through the surrounding grass. They battled the fire for 2 hours and 40 minutes.

Central and North Side firemen fought a grass and brush fire in the vicinity of Riley, Huston and Laura Aves. and Ephraim St. for 32 minutes after receiving the alarm at 12:56 p. m.

An overturned incinerator was blamed for starting the blaze.

Central firemen answered the original alarm since the North Side truck was fighting a grass fire in the 2500 block at St. Clair Ave. As it returned from the fire, it was notified by radio to go to the Riley Ave. blaze. The St. Clair alarm was received at 12:38 p. m.

## Trustees Slate Session

## 'Training Day' Scheduled For Presbyterian Center

Directors' "training day" will be held Saturday, May 16, at the Beaver Creek United Presbyterian Church Camp in preparation for the 1964 season, it was decided Saturday at a meeting of the Board of Trustees.

The board said all directors will be required to attend the session. A new directors' operating manual will be issued. The Rev. Roger Rush of Richmond, chairman of the program committee, reported on counsel or recruitment. Although 140 will be needed to staff the camp, only 24 have signed to date, he said. All churches sending campers must send one counselor for each five campers, he said.

The camp is sponsored by the Steubenville and Mahoning Presbyteries.

Mrs. Allen Pepin, registrar, reported registrations are three weeks ahead of last year. It was announced Dr. Robert Dunlap of East Liverpool has agreed to serve as camp physician and will set up the dispensary.

Donald Walter of Minerva, chairman of the administration committee, reported on a trip to Camp Kirkmont, near Zanesville. He said T-shirts with the camp emblem have been received.

William Holden of East Liverpool, chairman of the operations committee, reported on the condition of the camp's roads. He said the staff still needs a nurse and a waterfront director. Several large tents are to be bought for the "outpost camp."

Marion Horger of East Liverpool, treasurer, gave the financial report. The Rev. Mark Allen of Toronto, chairman of the development committee, reported on progress on two "work days" set May 9 and May 16. He said individuals and groups have been invited to help put the camp in good condition by cleaning, repairing and painting. Lunch will be served. Groups planning to participate were asked to advise Rev. Allen how many will be at the camp for lunch.

Robert Hummer of Girard, chairman, opened the meeting. Cliff Aiken of Brilliant led prayer.

The board approved a plan to send the Rev. Wayne Faust of Waynesburg and Mrs. Herman Meyers of Toronto to a "recreation lab" at Brownsville, Ind. Mrs. Betti Joseph and Mrs. Tina Clower, both of Vienna, will attend the Synod training school May 4-6 at Wooster.

The Executive Committee reported it has selected a site at the base of the old Stagecoach road, just below the rapids, as the temporary vesper spot for this year. Sixteen attended. The meeting closed with prayer by the Rev. R. W. McInroy.

Next meeting will be at the camp May 16 at 2 p. m.

## Child Learns From Imitating Sounds

Without your effort to teach familiar things, as box, ball, bird or cat, cow, car.

YOU CAN HELP him find and cut out such groups of pictures and paste them on a sheet of cardboard. As he says the name of each picture in a group, he can see that they all begin with the same sound.

This could be fun for a child only 3, 4 or 5 years of age. After the youngster has had considerable experience with this activity, especially after he enters the first grade, you might well print plainly, or type right under the picture, the word which names it.

Then with the help of the picture of each word naming it, he can learn to associate the correct beginning sound with the letter or letters beginning this word.

This I explain further in my special bulletins, "Home Fun with Phonics" and "Helping Child at Home in the Early Steps of Reading." These bulletins may be had by sending a self-addressed, stamped envelope to me in care of The Review.

## Morton St. Man Cited In Crash On Route 30

A city man was cited as the result of the lone accident investigated over the weekend by the State Highway Patrol at Lisbon.

Officers said cars driven by Anthony Giovenco, 71, of 800 Morton St. and Clyde R. Dickey, 47, of 939 Commerce St., Wells, were involved in a collision Sunday at 7:15 p. m. on Route 30 just north of the intersection with Route 170.

Giovenco, headed north, made a turn into the path of the southbound Dickey car, the patrol said. Minor damage resulted. Giovenco was cited for failure to yield the right-of-way.

Fortunate for the child, the consonants which make up most of the alphabet have, with few exceptions, only one sound each. Even before he has learned to read he can connect beginning-sounds with pictures of

## Miss Barbara Ann Albright Weds In Lisbon Church Rite

Miss Barbara Ann Albright, daughter of Mrs. Theresa Albright of Guilford Lake Rd., Lisbon, became the bride of Robert E. Nicholson, son of Mr.

and Mrs. R. J. Nicholson of East Liverpool Rd., Lisbon, on Thursday evening at 7 o'clock in the First Christian Church of Lisbon.

In the presence of the immediate families and friends, the Rev. James E. Moxley, minister, performed the double ring ceremony. Organ music was presented by Mrs. Roy Welsh.

The bride, given in marriage by her brother-in-law, E. G. Strojek of Salem, was attired in a street length white crepe sheath gown, fashioned with a white net tunic, highlighted by satin ribbon swirls. She wore a short whimsy veil and carried a handkerchief which belonged to her great-grandmother. Her Colonial bouquet was of white carnations.

Mrs. E. G. Strojek was her sister's matron of honor. She wore a blue knit suit with beige accessories and a corsage of pink carnations.

Dean Nicholson of Alliance served his brother as best man.

The bride's mother chose a beige silk suit with matching accessories. The bridegroom's mother wore a royal blue dress and light blue accessories. Each was complemented with corsages of white carnations.

Immediately following the ceremony, a reception was held at the Morgan House, adjacent to the church.

The bride's table, overlaid in white, was centered by the wedding cake topped by a golden ring, encircling two "love birds" and surrounded by pink roses.

For the wedding trip to Michigan, the bride's going away outfit was a beige double breasted suit with beige accessories and the corsage from her bridal bouquet.

The bride was graduated from David Anderson High School in the class of 1962 and is employed as a secretary at the Salem Label Co. of Salem.

The bridegroom is also a 1962 graduate of David Anderson High School.

Serving in the Navy, he is stationed as a fireman aboard the Regulus and is training as boiler technician.

The newlyweds will reside with his parents until the bridegroom returns to duty on the west coast.

## Teachers Recognized At East Junior High

Teacher Appreciation Day was observed Friday at East Junior High School with the Student Council in charge of the annual event, which also featured "Dress-Up Day."

A hall bulletin board listed each instructor's educational background.

A coffee hour for the teachers was held in the school home economics room preceding forenoon classes.

The Council sponsored a recreation night in the gymnasium in the evening with the teachers and guests attending. Other guests were members of

the East Junior High Honor Society and Westgate Junior High Student Council.

# Berra Sees Last Place Yanks Win After 3 Defeats

## Mays Socks 6th Homer To Lead Giants' Rout Of Reds

### Twins Split In Pair With Detroit

By JOE REICHLER  
Associated Press Sports Writer

Rookie Manager Yogi Berra finally tasted the fruits of victory as the New York Yankees won their first game of the season Sunday after three straight extra-inning defeats.

A fellow with an entirely different taste in his mouth today must be Chuck Hinton, brilliant but erratic Washington outfielder and the goat of a 5-1 defeat by Kansas City.

After catching Jim Gentile's fly with one out and the bases full in the fifth inning, Chuck headed for the dugout, thinking it was the third out. Nelson Mathews scored from third and Ed Charles from second as Hinton trotted toward the dugout, ball in hand.

Manager Gil Hodges, who frowns on sleeping on the ball field, replaced Hinton in left.

#### Allen's First 3 Hits Of Season Are Homers

East Liverpool's Bernie Allen might have set some Major League record since his first three hits of the 1964 season were home runs. Bernie came up with his first hit of the season in the eighth inning Friday night at Washington when he blasted a home run. The first two trips to the plate Saturday, the Twins split a doubleheader with Detroit. The Twins won the opener 12-3 and Detroit took the second 3-1.

The Chicago White Sox blanked Boston 6-0. A scheduled doubleheader between Los Angeles and the Indians in Cleveland was postponed because of rain.

Sunday's defeat was the fourth in six games for the Senators but it is doubtful any of the previous losses rankled Hodges more. He had vowed the Senators would cut down their mental mistakes.

"We made too many fundamental mistakes last year," he

many times we gave the opposition another run. It's my job to make mistakes this year."

Hinton can comfort himself in the knowledge that Joe DiMaggio was once guilty of a similar boner.

Orlando Pena permitted only two hits—triples to Don Blasingame and Ed Brinkman—in the rain-shortened first game of a City's first victory of the season.

Joe Pepitone drove in two runs with his first hits of the season as Bud Daley became the first Yankee pitcher to post a triumph. Pepitone, who had failed to hit in 14 times at bat, singled home Mickey Mantle with what turned out to be the winning run, and doubled in Tom Tresh.

## ELHS Nine Posts 3rd Win, Outlasts Struthers, 6-To-5

East Liverpool outlasted Struthers to record its third straight baseball victory by a 6-5 margin Saturday at Colt Field.

The two schools were to play a doubleheader but Struthers arrived late and one nine-inning game was played.

Bill Miller was the winning pitcher for the Potters but was hit by wildness at times, giving up eight walks. He fanned nine batters and allowed only five hits. Struthers left 17 men stranded.

Miller also helped his own cause with a single that drove in two runs.

Coach Jim Potts' nine scored a single run in the second inning two in the third, a pair in the sixth and the eventual winning run in the seventh.

Phil Wilshaw paced an 11-hit

attack with three singles in four trips while Bob Burkhardt clubbed a double and single and Frank McComas came up with a two-base hit.

Soldo was the losing hurler but fanned 10 Potters while giving up one walk.

East Liverpool is scheduled to play at Steubenville Central today under threatening skies.

The Potters travel to Weirton Tuesday and meet Big Red at Steubenville Wednesday before returning home for a contest with Beaver Local Thursday.

## Souchak Wins Houston Open By One Stroke

By MAX B. SKELTON  
HOUSTON (AP) — The PGA golf tour has its 18th champion in as many tournaments and has a new leading money winner for 1964.

Big Mike Souchak won \$7,500 and his second Houston Classic championship Sunday and Jack Nicklaus, with \$4,000 as runner-up, took over first place in the 1964 money race from the idle Arnold Palmer.

Souchak's one-stroke decision with a 71-69-68-70—278—six under par—broke his own victory drought that extended back to the Greensboro Open in 1961.

Nicklaus, in his third near miss at Houston in as many years, bogeyed the 17th hole of the final round to miss a tie, but his second-place earnings for his 76-66-66-71—279 boosted his 1964 tournament income to \$34,150, compared to Palmer's \$33,488.25.

Souchak and Nicklaus began the final round on the 7,233-yard par-71 Sharpstown Country Club course with identical 200s. The deadlock was not broken with finality until Nicklaus two-putted from 18 feet for a bogey four on the 195-yard, par 3 17th hole.

Souchak, 36, credited rest with improving his game.

"I've improved each week since I started ignoring golf on Mondays and Tuesdays two months ago," he said.

Chi Chi Rodriguez finished third with a 280 worth \$3,300. Receiving \$2,600 at 281 were two Texans, Rex Baster Jr. and Butch Baird and Al Geiberger, the young Californian who tied the Sharpstown competitive course record 65 on Saturday.

## Johnson, Casey Meet Tonight In West Coast Bout

SANTA MONICA, Calif. (AP) —Former world light-heavyweight champion Harold Johnson of Philadelphia and title contender Hank Casey of San Francisco meet in a 10-round fight tonight in Santa Monica Civic Auditorium.

Johnson lost his title last June in Las Vegas when Willie Pastrano whacked out a 15-round decision.

The Toronto International League baseball team is now owned by Robert Hunter and Sam Starr. They bought the club from Jack Kenk Cooke.

## Richie Allen Off To Fast Start For Rookie Honors

CHICAGO (AP) — Heralded youngsters seldom live up to their great expectations in the major leagues but Richie Allen of the Philadelphia Phils is off and running toward National League Rookie-of-the-Year honors.

Allen, a 22-year-old third baseman whose 5-foot-11 frame packs 185 pounds — with 44-inch shoulders and a 28-inch waist — hammered two home runs and a single to lead the first-place Phillies to an 8-1 victory over the Chicago Cubs Sunday.

Almost a unanimous choice in pre-season polls to be the league's top rookie, Allen has a .429 average with three home runs, seven runs-batted-in and 19 total bases.

"He's something, he's really something," said Manager Gene Mauch after the game. "He hardly strides at all in the batters' box. His hands are so fast it's unbelievable. And he can hit them to any field."

Mauch tried to compare Allen to some great hitters and

couldn't come up with an answer.

"He's all alone. He gets his hands into the ball like Ted Williams did but that's as close as I can come to his style."

"He's a pleasant mixture of man and kid," continued Mauch. "There's enough man in him to know what he's doing and enough kid in him so that he's wild-eyed about being in the major leagues."

And how does Allen, the Wampum, Pa., phenomenon react? "I never tried to copy anyone's style. My older brother always told me to swing like Dick Allen. All the publicity this spring didn't bother me. I just figured the sportswriters had to have something to write about. When the season started I just forgot all about it."

"If anything, I'd say I'm not a spring hitter but rather a late starter. It's great to get off to a good start. I'll just keep swinging and see what happens."

## Jim Ward Steals Show With New Marks At Newark

Jim Ward, the flying Clipper, set one new record and tied two others at the Newark Relays Saturday.

Ward stepped off the 220-yard dash in 21.6 bettering his own mark set last year then ran the 100 in 9.9. He equaled the Newark 440-yard record turning in a 49.6 clocking. This is the first year Ward has participated in the quarter-mile event.

Columbiana finished fourth in the meet which was won by Newark.

## Dodgers Drop 5th Straight Contest

Willie Mays never sizzled so much even in his stickball days on the steaming streets of New York.

Right now, Mays is hotter than a hustler in the pool halls of New York.

The San Francisco slugger socked his sixth home run in six games Sunday and drove in three runs for a total of 13 in the Giants' 13-6 romp over Cincinnati. His three hits increased his batting average to .391.

The skyrocketing start is the best for the 32-year-old center fielder since he joined the Giants in 1951, the year he also started playing stickball with the kids in Harlem.

"I've had higher batting averages early in the season, but nothing all around like this," Mays said after the game. "I can't explain it. I'm not even going to try. I'm just happy I'm playing the way I'm playing."

Mays, in fact, has a better record than the Los Angeles Dodgers as a team. The world champions have hit four homers and have scored 13 runs in compiling their worst start since arriving in Los Angeles in 1958.

The Dodgers dropped their fifth straight game Sunday, losing 3-2 to Milwaukee in 12 innings. Elsewhere in the league the New York Mets stopped Pittsburgh 6-0 for their first victory after four defeats, Philadelphia trounced Chicago 8-1 behind the hitting of rookie Richie Allen and St. Louis whipped Houston 6-1 as Bob Gibson hurled a four-hitter.

Mays smashed his latest homer in the eighth inning against the Reds. His two-run single in the Giants' nine-run sixth helped put the game beyond Cincinnati's reach. He led off the inning with a walk.

The Dodgers, who haven't won since Sandy Koufax beat St. Louis in the opener, lost

## Celtics Pick To Roll Over Frisco Again

BOSTON (AP) — Alex Hannum, San Francisco Warrior coach, says his team will be much tougher tonight. The Celtics agree.

But Bill Russell and his Boston mates remain a 10-point favorite to make it two straight over Wilt Chamberlain and company in the best-of-seven final series of the National Basketball Association playoffs.

The Celtics beat San Francisco 100-96 Saturday night opening their bid for a sixth straight world title and seventh in eight years.

"We'll be ready this time—much tougher," Hannum said. "We were tired and not aggressive in the opener. And remember, that was only the first of a seven-game series."

"It's been our pattern all season. Whenever we played a bad game we always came back with a good one."

"San Francisco has got to be tougher in this second game," said Celtic Tommy Heinsohn. "I feel the Warriors weren't on their game Saturday because they weren't hitting from outside. I'm sure they'll be sharper."

East Liverpool will host United Local Tuesday at 4:30.

## Beaver Local Golfers Score First Victory

Beaver Local scored its first golf victory over Leetonia, 10-3, Friday at the Country Club. Carl McComas was medalist with 40, while other Beaver scores were Jim Evans, 50, Mike McGahan and Bill Bryan, each 46. For Leetonia, Bill Jones was low with 49. The Beavers (1-3) take on Crestview today (Monday) at 4 p. m. at Copeland Hills.

# LA Off To Worst Start In NL Race

By CHARLES MAHER  
Associated Press Sports Writer  
LOS ANGELES (AP)—You almost have to go back to the first Patterson-Liston fight to find a defending champion who got off to a less auspicious start than the Los Angeles Dodgers have this season.

In fact, it's about time someone suggested, a few weeks earlier than usual, that Dodger Manager Walter Alston will be issued a job-hunting license if his club doesn't soon improve its position, which today happens to be 10th.

That means the Dodgers have fallen behind the New York Mets, which is almost as hard as finishing 11th in the Big Ten. "You mean nobody's written yet that I'm going to be fired?" Alston inquired Sunday after the Dodgers extended their losing streak to five games by blowing a 3-2 decision to the Milwaukee Braves.

"Sometimes," Alston said,

"you get 11 hits and 11 runs. This time we got 11 hits and two runs. Those things even out over the season."

The two runs to which Alston referred happen to be the only two the Dodgers have scored in their last 26 innings. That's an average of about two thirds of a run per game.

The Dodgers were shut out the last five innings Friday night and came within an out of suffering a no-hit loss when they were beaten 3-0 by Cincinnati Saturday night.

Jim Maloney held the Dodgers hitless the first six innings Saturday, then had to retire because of a pulled muscle in his side. John Tsitouris took over and didn't give up a hit until Frank Howard dribbled a cheap single past the mound with two out in the Dodger ninth. It was the only hit the Dodgers got and Howard felt obliged to apologize for it later.

## Event Attracts 250

# Athletes Receive Letters During Dinner In Lisbon

LISBON — A crowd of 250 attended the annual high school basketball-football banquet Saturday night at Lincoln School, when letter awards were presented to the athletes.

Graham Kearney was master of ceremonies. Invocation was by the Rev. Paul Gerrard of the First Presbyterian Church.

Gary Pike, varsity basketball coach, spoke in praise of the 16-5 record of the 1964 team. Award letters were presented to David Rose, David McPherson, Larry Webber, C. J. Yoos, Gary Peruchetti, William Higgins, Charles Buckley, Tim Bucher and Paul McGaffick and Lynn Leggett, Mike Haifley and Paul Morgan, managers.

Reserve football letters awarded by Coach Tom McCall went to Roger McCullough, Barry Lowry, Freddie Liggett, Gary Hawkins, Bud Hall, Terry Frankford, Mike Conn, Lee Calhoun, Don Blair, John Kemats, Don Rose, John Marshall, Bruce Lessig, Robert Koontz, Robert Crosser, Donald Dowd, Gary Hiner, Ronnie Taffin, Mickey Andric, Raymond Dillard, Craig Estell and Bill Blockson.

Reserve basketball and football cheerleaders who received letters were Cynthia Serago, Patricia Snowberger, Cornell and Michael Monda and Joe Ieropol. Freshman basketball cheerleaders receiving awards were Christie Bucher, Beverly Webber and Susan Miller.

Eddie Deville, freshmen basketball coach presented letters to Steve Rodi, Roger Nold, William McDewitt, Willis Dotson, Don Blair, Raymond Moore, Larry Conkle, James Arnold, Barry Lowry, William Nicholson and Mike Conn.

Reserve Coach Tom McCall awarded letters for basketball

to Rick Kennedy, Gray Hiner, John Kemats, Eddie Korode, David Logston, Kim Manning, Dyke Nace, Jim Pappas, Rick Prasco, Jimmy Williams and Mickey Andric.

The group heard a talk by Edwin (Bud) Bucher, who is recovering from injuries suffered in an auto accident several months ago. He praised the 9-1 record of the 1963 Blue Devils, pointing out it was one of the best records in 10 years and the team was the highest scoring here in 25 years.

Varsity letters were presented to: Gary Peruchetti, David Rose, Dick Rose, David McPherson, Charles Buckley, Ronnie Bacon, Jerry Leggett, Paul Morgan, Ted Muntean, Harry Glenn, Lynn Leggett, Ed Mattern, Bob Alexander, Jerry Toot, Paul McGaffick, Kim Manning, Jimmy Williams, Ronnie Watkins and Roger Lowry.

Awards also went to the varsity cheerleaders, Carol Davner, Linda Minton, Linda Morgan and Nancy Sexton and the managers, Jeff Dorrance, Mike Rodi and Bob McCamon.

Gifts from the team were presented to the coaches by the captains of the last season and Mrs. Fred Rose. The dinner was prepared and served by the Blue Devils Mothers Association, which presented each senior with an engraved key ring and tie clasp.

Special guests were Mr. and Mrs. Charles E. Powell, Mr. and Mrs. John Groves, Mrs. John Lewis, Supt. and Mrs. Oliver Payne, Mrs. Thomas McCall, Miss Alice Armstrong, Miss Lucille Bennett, Dennis Reese, George Nace, Mrs. Peter Cibula and Allen Dickey.

STATE COMMANDER H. Paige Bell (center) receives a bowling ball from Clarence Eagle, tournament manager, (second from right) and rolled the first ball to start the Fourth annual First District American Legion Bowling Tournament Sunday at the Terrace Lanes near Chester. Also present were Mayor Harry Abrams of Chester (extreme left) Willis Friley (second from left), tournament chairman, and First District Commander Lyon (extreme right).

## Pro Cage Playoffs

Boston 108, San Francisco 96 (Boston leads best-of-7 series 1-0)

## Leafs Picked To Capture Stanley Cup

TORONTO (AP)—The strong-finishing Toronto Maple Leafs were heavy favorites today to retain the Stanley Cup after blitzing the Detroit Red Wings Saturday night and squaring the final playoff series.

Toronto's 4-2 come-from-behind victory at Detroit evened the best-of-seven series at two games apiece. The fifth game will be played here Tuesday, the sixth at Detroit on Thursday. The seventh—if necessary will be at Toronto on Saturday.

Coach Punch Imlach used his Leafs like shock troops Saturday as he juggled his lines five times in the opening six minutes of play to throw the Detroit defense off stride. The Leafs dominated play throughout the first period with Detroit having an edge in the second, which ended 2-2.

It was in the third period that the Leafs showed their ability as stretch runners. Andy Bathgate, the New York Rangers, broke loose and put Toronto ahead 3-2 at the 10:55 mark. The Wings then saw ever-dangerous Frank Mahovich add the Leafs insurance goal at 18:07.

The Washington Senators have four farm teams — Toronto, York, Pa., Rocky Mount, N.C., and Geneva, N.Y.

## Preps In East And West Produce Derby Starters

By ORLO ROBERTSON  
Associated Press Sports Writer

The May 2 running of the Kentucky Derby picked up at least four starters from last Saturday's preps on the West and East coasts. And don't sell Calumet short.

Quadrangle won the 1¼ miles of the \$89,250 Wood Memorial at Aqueduct and is scheduled to head for Churchill Downs at Louisville by van Tuesday.

Mr. Brick, defeated one-half length by Quadrangle after a stirring stretch duel, and little Roman Brother, beaten another 1¼ lengths while taking third place, also will be given a chance in the 90th running of the blue ribbon classic for 3-year-olds. They're leaving New York by plane Wednesday.

Trainer Lucian Laurin declared Traffic, fourth in the Wood, out of the Derby today and said he wasn't sending any of his other eligibles—National and Repeating.

Will Rad bowed to Real Good Deal by three-quarters of a length in the 1¼ miles of the \$59,900 California Derby at Golden Gate Fields. But his owners said he would be sent to Kentucky to clash with a

field that well may number 15. Real Good Deal, however, will remain at home.

Meantime, the word went out to watch Calumet, seven times winner of the Derby. Trainer Jimmy Jones sent out Kentucky Jug in a six-furlong race at Laurel last Saturday. He finished third but observers like the way the son of Alibhai ran.

The Calumet colt just missed after losing ground on the outside and perhaps some because of over-confidence on the part of jockey Eldon Nelson. He'll be tough to beat in Saturday's 1-1½ miles of the \$25,000-added Chesapeake at Laurel. If he runs as Jones hopes, the famous red and blue silks will be in the Derby starting field. Calumet has another Derby hopeful in Ky. Pioneer. But the son of Nashua has been a disappointment in his latest races.

Meantime, Derby-bound colts already in Kentucky will have two chances to get in their final preparatory ticks this week. First there is the 1¼ miles of the \$25,000-added Blue Grass Stakes at Keeneland Thursday and then the seven furlongs of the Stepping Stone Purse Saturday at Churchill Downs.

# Wood Paneling Utilized Throughout New Homes

Once upon a time wood paneling meant an early American setting or an expensive book-lined den. Today, paneling is used in homes of every price range and in every room in the house.

Modern furnishings especially require a setting of sufficient warmth to give rooms a softened air, but one that doesn't conflict with the decorative scheme. Warm of tone, rich and expressive woods are ideal for the paneling of modern rooms.

News in the use of wood in modern home decoration is the upsurge in the use of color

which can be obtained by blending finishes with the wood surface. Blues, greens — even golds — can provide beautiful wall effects and may be applied to Western Pine region woods with excellent results.

Lumber responds beautifully to stains and clear or pigmented finishes that allow the grain and knots to show through. Thus, the lumber may be left with its natural tone, or even when color is added with a wipe-on, brush-off finish, the wood will display its qualities of beauty and interest.

It also may be painted, but then the beauty of the wood is hidden.

The size of a room and style of furniture determines the type of paneling installation. An air of spaciousness is produced by use of boards 10 or 12 inches wide for paneling. Narrower widths emphasize the direction of line, as well as lending a textural and subtly - patterned effect to the wall.

In a modern living room where a formal but comfortable atmosphere is indicated, use 6-inch widths of paneling with simple V-joints and a light finish to blend with any colors selected for furnishings, giving a sense of wholeness and harmony.

The fine patina of waxed paneling will compliment a soft drapery fabric to great advantage, yet dramatize a loosely hand-woven material.

Trend To Outdoors Grows

# Room Outside Means 'Sun Fun'

The living's easy for families who are at-home both in and out of doors.

Gone for good are the days when people lived their home life within "four walls."

Today's trend calls for total development of property, and outdoor areas are being put to full use in supplementing indoor living and entertaining space, and as "built-in" playground and sports arenas.

In order to make maximum use of your available space, first assess the family needs and functions you wish your outdoor area to fulfill. Consideration should be given to the existing landscaping, sun and wind exposure, and the size and relationship of structure to surroundings.

IF YOU NEED more space in your house, why not add on "rooms" by means of porches, sun decks, terraces or patios. For example, a deck or porch near the kitchen might substitute as a dining room.

Your addition doesn't necessarily have to be attached to the house. A gazebo, tea house or sun deck in the yard or by the barbecue pit or pool will

INDOOR WINDOW OPENS living room, adding both light and individuality to decorating scheme. This type of room opening is practical and attractive in any home with "closed-in" feeling. Incense cedar, from the Western Pine region, is used for paneling, beams and lathe-turned posts.

provide plenty of space and all the privacy you need to entertain without disturbing the rest of your household.

The trend to outdoor living has made many people realize that there's no place like home for leisure - time fun. Many a backyard now serves as a playground for both adults and children.

Families are leading the sporting life in concrete and grassy game areas that provide full backyard facilities for a

variety of individual and team sports, ranging all the way from lawn tennis, basketball and badminton to shuffleboard and horseshoes.

Before constructing your own game area, it is important to consider its location in relationship to the sun. (This is especially important for tennis and badminton courts.) Check the velocity of prevailing winds, and, as a good neighbor, take into account how the play areas will affect the appearance of surrounding properties.

The most tempting addition to a private playground is the backyard swimming pool with its many advantages of privacy, convenience and recreation every member of the family can enjoy.

they also want the convenience of indoors, such as comfortable furniture, adequate lighting and a measure of privacy.

Today's lawn furniture is lightweight and imaginatively styled in a variety of decors. The backyard can be lit effectively by a combination of ground lights and hidden "spots" in trees.

For privacy, plant "screens" of shrubs, or put up panels or fencing. Game areas can be defined and sheltered by means of shrubs and trees arranged so that a portion of the open area is concealed.

Modern backyard gardening makes extensive use of portable planters and terrace tubs. Another easy and interesting possibility for the homeowner who wants "decoration" without drudgery is the Oriental-style garden consisting largely of stones and statues.

# Steel Shows Dip In Output

CLEVELAND (AP) — Steel production last week, at an estimated 2.44 million tons, was down 7,000 tons from the previous two weeks, and the first-half peak may have been passed Steel Magazine said today.

"Forward buying may slip as much as 10 per cent in the next few weeks, particularly in light, flat rolled products," the weekly journal of metalworking predicted.

April will be the best shipping month of the first six months, steelmakers believe, and second-quarter shipments are likely to be 4 to 8 per cent above the first quarter, Steel reported.

Delivery times should shorten soon—most noticeably on items bulking heavily in automotive requirements, Steel said. A rise in construction steel requirements is offsetting substantially the current slippage in automotive and appliance ordering, the magazine added.

"Inflationary influences are exerting upward pressure on steel prices," Steel said. Recent increases involve secondary sheets, rigid conduit, certain ferroalloys and related nonferrous metals, the journal continued. But there have been some signs of price weakness—notably in stainless steel, line pipe and spring wire."

No. 1 heavy melting scrap's composite price went up 33 cents to \$31.33 a ton last week for its fifth straight weekly advance. A year ago the magazine's composite scrap price was \$28.67 a ton.

# Painter Advised To Obtain Good Brushes For Job

QUESTION: I am getting ready to do a lot of painting, both inside and outside the house. I have to buy some paint brushes. Can you give me some advice?

ANSWER: The best advice is to get quality brushes, not only because they will last longer, but because they will do a better job right from the start. More specifically, a brush to be used for exterior work should be from 3 to 6 inches; one for use on interior walls and ceilings should be 3 or 4 inches wide; one for furniture and small surfaces should be between one and one-half and 3 inches; and one for window sashes and similar areas should be the one-inch sash type.

Always work from the dry section toward the section you have just painted. On exterior surfaces, the paint must be worked in. On flat interior surfaces, use a kind of fanning stroke. On furniture or when using enamel, flow the paint on. There are exceptions to all of this, especially if you are using a special type of paint.

That's why, no matter what you read here and anywhere else, the first thing you should do before starting a paint job is to read the instructions on the label carefully.

# Woman Murders Man, Then Takes Own Life

CLEVELAND (AP)—Patrick Pandoli and Mrs. Jean A. Ashby twice married and twice divorced, were dead today in what police said appeared to be a case of murder and suicide.

Residents of the four - suite rooming house where Pandoli lived in suburban Lakewood heard shots and Pandoli shout for help Sunday night.

Police found Pandoli, 42, dead. He had been shot behind the left ear.

Mrs. Ashby, 40, who was secretary for a Cleveland law firm, was found dead in the kitchen. A .22-caliber revolver was nearby, police reported. She had bullet wounds near the right ear and in the left hand.

Lakewood police said Mrs. Ashby had told a friend earlier she had learned that Pandoli, an unemployed carpenter, planned to marry again. Police theorized that the woman went to Pandoli's apartment, tried to change his mind about the planned marriage, threatened him with the gun, shot him as he ran to the door, then turned the gun on herself.

**THE TRUTH ABOUT BUYING A FURNACE**

who is kidding whom about these low, low prices?

**Q. A.**

How can some dealers offer to sell heating systems at prices below the actual cost of producing a quality furnace in a modern plant?

**ONE OF THREE WAYS:**

No. 1—By using cheap, inferior components that are made to meet a price, rather than serve the homeowners needs.

No. 2—By "bumping" the customer to a much higher priced system with a high pressure sales talk. This is a version of the old shell game.

No. 3—By skimping dangerously in installation procedures, and service after the sale.

**GOOD PRACTICES TO FOLLOW IN BUYING HEATING**

Look around for a dealer with a good reputation. Refuse to deal with anybody else, no matter how tempting the deal may sound. Invest in a heating system with a brand-name furnace backed by years of honest service to the public.

## Ohio Lists 20 Road Deaths On Weekend

By The Associated Press  
A rash of single and multiple fatality traffic accidents made this weekend the deadliest in Ohio so far this year.

Traffic accidents took 20 lives, other deaths occurred in miscellaneous mishaps.

The worst weekend for traffic deaths this year until this weekend had been the Jan. 31-Feb. 2 period when 16 people died on the highways. The previous 1964 overall high toll was recorded the weekend of Feb. 14-16 when 25 deaths in fires and traffic and miscellaneous accidents were recorded.

Of the five miscellaneous accidental deaths over the weekend, two of them occurred in thunderstorms which struck scattered parts of the state Saturday afternoon. Both deaths were persons struck by lightning, one during a storm in Fairfield County, the other in Adams County.

Four double-fatality traffic accidents were reported. The rest of the traffic fatalities occurred in separate mishaps.

The fatalities:  
The fatalities in central and eastern Ohio included:

**Saturday**  
Glen Leroy Shipton, 42, Farrell, Pa., when a semitrailer truck rammed his car from behind on the Ohio Turnpike near Warren.

Elmer F. Kennedy, 65, Rt. 3, Bellaire, crushed beneath a tractor he was operating when it went out of control on Ohio 147 two miles west of Bellaire.

William Ardell Sullivan, 23, Plain City, when his car went out of control and flipped over on Ohio 161 south of Marysville.

Mrs. Anna Burjak, 62, Cleveland, struck by a car which ran up on a sidewalk in Cleveland.

Tazwell E. Foley, 47, Cleveland, when the car he was in hit a tree in Cleveland.

**Sunday**  
Edwin Hurley, 58, West Milton, of injuries sustained Saturday night when he walked into a moving car near Vandalia.

Earl Jones, 31, Napoleon, when his car ran into a passenger train at a Baltimore & Ohio Railroad crossing four miles east of Defiance.

Mrs. Margaret Collis, 56, Northfield, in a two-car crash at the Northfield Road-Ohio 82 intersection in Summit County.

An unidentified man who fell down some steps alongside a bridge on Columbus' North Side.

Mrs. Charles E. Nevins, 46, Cleveland, when she lost control of her car in Olmsted Township.

### Ship Channel Blasted

## Sandusky Homes Rattled Each Hour By Progress

By DAVE HARRISON  
Associated Press Writer

SANDUSKY, Ohio (AP)—This community of 35,000 people on Lake Erie is literally being rocked by progress—and almost hourly.

Workmen, deepening a shipping channel a mile from downtown, have run into bedrock. They are using charges of 1,400 pounds of ammonium nitrate to blast out the bottom.

When they go off—and it is almost on the hour and by the hour—you feel something that resembles a mild earth tremor.

The three-year, \$5 million federal project has been going on for more than two years but the most nerve rattling, house jarring part has just started.

Complaints from residents have mounted. One resident about 200 yards from the bay reported the plaster of his house had cracked and his breezeway had pulled away from the side of his house.

"They almost threw me out of bed this morning," he told a newsman.

City Manager Stuart Gosser confirmed numerous damage claims had been filed with insurance companies but he said he had heard of no serious damage.

"Most of it has been cracked plaster," he said, "no structural damage."

The blasting is 900 feet offshore and the job is to deepen the channel and turning basin to the Pennsylvania Railroad coal loading docks on Sandusky Bay from 22 to 25 feet.

"It is necessary to the port if we want to ship coal," Gosser explained. "The coal shipping industry has turned to larger bulk carriers. They are longer and have a deeper draft and if we expect to use our port the channel must be deeper."

For two years giant mechanical shovels literally walked along the bay floor scooping up silt and clay. Then last fall the dredgers reached the rock. Winter ice stopped the operation.

Officials of Peter Kiewit Sons & Co., the contractor, say 100 more days of blasting will do the job.

## Hints from Heloise

— By Heloise Cruse

Dear Folks: Recently, while trying to light the candles on a huge birthday cake... they just wouldn't.

Know why? Candles (especially if there are many) should be lit with a match, allowed to burn a few seconds, and then snuffed out. Let them burn just until the end of the wick is black.

Then when it comes time for the terrific highlight of the program... the candle lighting session... one little "light" usually lights every candle. It is also best to put one candle aside to use for this purpose instead of matches or a cigarette lighter.

**HELOISE:**  
DEAR HELOISE: Please help! My husband and I are getting "shocked to death" from a new nylon rug (with a foam rubber backing) every time we walk across it. With a new baby expected in a few weeks we are naturally apprehensive. Is there any solution to our problem?

**E. EMOND:**  
Anyone know? If so write to Heloise care of this paper.

**HELOISE:**  
DEAR HELOISE: While painting the woodwork in my living room recently, I discovered many hard-to-get-at corners, increased by the fact that the color of the woodwork is a completely different color than the walls.

On an impulse, I started using a tiny cotton swab dipped in the paint for that tedious job and finished the job in far less time with no "problem" corners.

This same little swab does a wonderful job on furniture too, such as when painting knobs and fancy legs etc.

**A.M.DeR.**  
DEAR HELOISE: I have found a wonderful solution for getting that 4 a.m. bottle warmed before the entire family is awake.

I put the baby's formula into the prepared bottles (which have all been sterilized) and store them in my refrigerator without adding the water.

Then when feeding time comes around I just boil some hot water, which takes only a few minutes, and pour it into the bottle which I have taken from the refrigerator.

By adding the hot water to the extremely cold formula, the temperature is perfect and, hooray, a warm bottle ready in one minute flat with no over-heating or underheating, etc.

**SLEEPYHEAD:**  
You may be a sleepyhead, but you were wide awake when you wrote us that hint!

I only wish I had known it when my babies were little.

**HELOISE:**  
DEAR HELOISE: I wrap thoroughly rinsed, unironed, unstarched linens in ordinary blue tissue paper and slip them into a blue plastic garment cover (from the cleaners) and they do not yellow. (Don't ask me why.)

The blue tissue will bleach through, after a period. I store my teen-agers' dinner jackets and dress shirts this way and it works beautifully.

I examined linens every six months and change the tissue if it has become bleached.

**B. JONES:**  
DEAR HELOISE: Planning on a child's birthday party soon?

Try this: Make cupcakes, putting the dough in ice-cream cones (the kind that sit flat on the table). Fill with batter... LESS than

one inch full. Bake as usual. Spoon ice cream on top for trimming. Gum drops may be added.

The kids will love this and everything can be eaten.

# Out Of The Air

By HAL HUMPHREY

After Shari Lewis does her guest turn on Danny Kaye's show Wednesday she goes on a nightclub tour.

"I've never been in a nightclub in my life, but I want people to know I'm a big girl now," says the 5-foot, 98-pound mother of Lamb Chop the puppet.

When Shari Lewis debuts at Houston's Shamrock Club next month, she will be considerably more sexy than the Shari Lewis who won all those awards for her TV kiddie shows.

"Lamb Chop will drink champagne and even get a little high," Shari says.

Such carousing might finish her with TV sponsors who sell cereal and milk and other profitable goodies for kids, but Shari doesn't seem to care.

"I saw Teresa Brewer on Ed Sullivan's show not long ago, and she looks and sings in that same little-girl way she has for 10 years. Well I don't want to be like that," states Shari.

ONE REASON she pops up on Johnny Carson's "Tonight" show so often is to let the adult world know she is a "big girl now."

"Johnny Carson is a nice, trustworthy person. He never makes you look bad, and he allows me to function as a human being."

Shari is more thrilled with Carson and the paltry \$320 scale she gets from him than the \$4,000 or \$5,000 she can bank after being on TV's big variety shows.

"The variety shows on TV are repeating themselves," says Shari, and no TV viewer is going to argue with her on that point.

One of the reasons she signed up for Danny Kaye's show was the guarantee of four days' rehearsal.

"Rehearsal periods are the most exciting part of the business for me," says Shari. "Without enough rehearsal, one doesn't digest the material. You just conquer it."

"I've always wanted a piece of material that was just perfect, that becomes one with me, the way Sammy Davis fits him. I believe I've got it now with my own nightclub act. I think I'll be a smash."

SHARI THINKS she would have been happier as a big girl 40 years ago, during vaudeville's heyday, when a performer did the same act for 20 years and was "a smash."

Born in 1934, Shari was too late for vaudeville, but her talents ripened in time for her to become an Arthur Godfrey Talent Scouts winner with her ventriloquism at 17.

Since then she has blossomed into an actress-author-magician-dancer. Her two books on

origami (Japanese art of folding paper into animated toys) are juvenile best-sellers.

Shari and husband Jeremy Tarcher, a TV director, live on Riverside Dr. in New York City with daughter Mallory, 2, and a boat docked a block away on the Hudson River.

"It's a lovely boat," Shari reports. "It sleeps six, and I don't mean six intimate midgets."

After her "growing up" period with the nightclubs, Shari hopes to star in her own situation comedy for TV. The pilot script is written. All that remains is convincing some TV executive to give it a whirl.

IF THAT HAPPENS, she may have to move to Hollywood, a fate Shari fears because she doesn't drive a car.

"When you live in Manhattan, there is no reason to own a car. I've never owned one. But if you don't own one in Hollywood, you don't move," observes Shari.

It isn't likely that anyone moving as far and fast as Shari has will be stopped by so minor a handicap.

# Drive Reset May 3-9 For Scholar Fund

East Liverpool's "Dollar For Scholars" canvass will be concentrated the week of May 3, officials of the Citizens Scholarship Foundation campaign announced today.

Part of the solicitation has been completed in the East End in the drive which was postponed from March due to conflict with other drives.

Frank Potts, house-to-house chairman, and John Parsons, assistant, said organizational details are being completed for the drive May 3-9.

About \$11,000 has been received so far in contributions and pledges from canvasses and business and industrial solicitations in the seven school districts - East Liverpool, Wells-

ville, Beaver Local, North Hancock, Western Beaver, South Side and Midland - Robert Conroy, campaign chairman, said.

Funds from the drive are used as financial aid for worthy students planning to go to college. Anyone interested in serving with the house-to-house drive may notify Potts or Parsons.

## Do You Feed Your Hunger Or Your Appetite

"What forced this enormous appetite on me?" an overweight young mother demands.

Blame the force of habit, brought on by the practice of overeating. The appetite is a natural habit developed through our pleasant association with food. How much we eat at one sitting is largely habit. Can appetite be cut down to size? Definitely, yes. Even though a big appetite has been developed over a long period of time, it is surprisingly easy to change.

A young mother, who had gained as much as 40 pounds with each of her first two babies, controlled her weight perfectly during her third pregnancy. Her success in cutting calories even impressed her husband, and he decided to stop overeating. She wrote:

"MY HUSBAND had been overweight all his life. In November he finally decided to take off weight before he was forced to for health reasons. (So far he's healthy as can be.) I had hoped and prayed he would reduce although I never said a word about the way he ate and ate and ate!

"I bought a book on health and nutrition and worked out balanced menus, measured the servings, and we counted the calories. By this plan my husband could easily see whether he'd rather have a hunk of pie or an apple for dessert. We made a game of keeping the score on calories.

"By the end of January he had lost 35 pounds and was under the 200 pound mark. We eat out a lot and when we do he eats as he pleases. To his surprise, he wants only about half as much as he used to eat, because now he fills up so much more quickly. We'll go on keeping score on calories until he loses 15 more pounds. But we feel the problem is licked already. Sometimes I think men are better dieters than women are, don't you?"

Yes, men do make excellent dieters, once they are sold on the wisdom of reducing. It usually takes men longer to get started, but when they decide to lick the weight problem, they follow through consistently.

CONGRATULATIONS to you both. It would be a good health insurance for your husband to have a medical check-up at this stage of his reducing. The doctor may want him to slow down his rate of weight loss now that he is nearing his goal.

Calories should be cut only in the non-essential foods. The choice of an apple in place of pie - excellent! It's safe to draw on excess fat for part of your fuel needs, but the nutrients needed for repair and replacement must be provided in normal amounts, not in reduced amounts.

It's reassuring to hear that a man can cut his appetite down to size and enjoy smaller meals.

# Guest Speaks At Session Of Women's Unit

Mrs. Norma Marcer of Canton, director of the social action committee of the Youngstown Diocese, was guest speaker at a meeting of the Columbiana County Deane of the National Council of Catholic Women Saturday afternoon at St. George's Catholic Church at Lisbon. It marked the final meeting of the 1963-64 term.

Attending from East Liverpool were Mrs. Martin Bauguess, Mrs. Catherine Galeotti, Mrs. Edna Sweeney and Miss Helen Auld.

Mrs. Freeman Strabley was elected delegate - at-large for board meetings and conventions.

Mrs. Josephine Markovich was named chairman of the auditing committee.

Members were reminded of the diocesan convention May 12 at the Hotel Onesta in Canton. Reservations are to be turned in by May 6.

The group will be host at a tea May 6 for new citizens.

Committee reports were given by Mrs. James Gruber, Mrs. John Barnett and Mrs. Charles McGuire. Mrs. Eugene Hay, president, presided.

Fr. William Hohman, pastor, who gave the welcome address, screened slides of a recent trip he made to South America.

Women of the host church served tea. A statue of the Madonna surrounded by arrangements of jonquills, was used as a centerpiece.

# Tires Stolen From 2 Cars

Four tires and wheels were stolen from two autos on an agency's downtown lot Saturday night or early Sunday, police reported.

Thieves removed the wheels sometime between 9 p. m. Saturday and 11:07 a. m. Sunday from a 1964 model station wagon and a coupe parked on the Broadway lot of Mike Turk Inc., officers said. The thieves jacked up the autos to remove the wheels, then allowed the cars to drop onto their hubs, officers said.

Investigation disclosed that the lights at the lot were out because a fuse had blown, police reported.

W. R. Davis of Virginia Ave. told police two cartons of cigarettes were stolen from his 1957 model auto Saturday while it was parked on a lot at the Louthan Manufacturing Co. on Harvey Ave. He said the thief broke a wing window of his auto to remove the cigarettes.

Gerald Blaschak, 834 Louise St., told police a vandal ripped all the wires loose from their connections on his auto while it was parked on the lot at City Hospital Saturday night.

He reported the vandalism Sunday morning and added that nothing else about the car was missing or disturbed.

# Lisbon District Youth Hurt When Hit By Car

LISBON - Paul Louk, 19, of R. D. 2 in Salem City Hospital with injuries suffered when struck Saturday at 10:45 p.m. by a car driven by Edwin Leroy Unger, 23, of Columbiana R. D. 2.

Louk, dressed in dark clothing was walking north on Jackson St. when he was struck by the car, also going north.

He was in "fair" condition today with multiple abrasions and contusions of the chest.

Police took Louk to a local physician, who ordered him taken to the hospital. Police said the car was scratched on the right fender and radio antenna was broken.

## Nuptial Date Set By Princess And Carlos Of Spain

By HARVEY HUDSON

PARIS (AP) — Dutch Queen Juliana has washed her hands of the Rome wedding of her daughter Princess Irene to a long-shot pretender to the throne of Spain.

The family of the bridegroom-to-be, Prince Carlos of Bourbon-Parma, announced in Paris Sunday that the couple would marry in a Roman Catholic ceremony in the Italian capital on April 29.

Complaining that the Dutch royal family was told of the arrangements just before the newspapers got the news, the queen's secretary announced in the Hague that Juliana and Prince Bernhard would not attend.

A spokesman for the Bourbon-Parma family admitted that relations between the two families were severely strained. He blamed the Dutch government.

"There is a disagreement between the Queen of Holland and Princess Irene, but there has never been any disagreement between mother and daughter.

In Holland, the crown, the queen and the government are linked and the sovereign cannot go against the government without raising a grave problem."

The Dutch government is determined to prevent any linking of Queen Juliana to Prince Carlos' campaign for the Spanish throne.

The wedding will be held at the basilica of St. Mary Major, a pontifical basilica.

Irene was converted to Catholicism last year, abandoning the traditional Protestant faith of the House of Orange. She and Prince Carlos were received at the Vatican earlier this month by Pope Paul.

## Today In History

By The Associated Press  
Today is Monday, April 20, the 111th day of 1964. There are 255 days left in the year.

Today's highlight in history: On this date in 1903, Andrew Carnegie gave \$1.5 million for the building of a Temple of Peace at The Hague.

On this date  
In 1775, the British opened the siege of Boston.

In 1897, the first submarine equipped with an internal combustion engine was patented by Simon Lake.

In 1889, Adolf Hitler was born.

In 1914, the fight between striking miners and the state militia—known as the "Ludlow Massacre"—started near Ludlow, Colo.

In 1945, the United States 7th Army captured the Nazi shrine center of Nuremberg, Germany.

Ten years ago ... A majority of the municipalities in New Jersey legalized bingo and raffles in special option elections.

Five years ago ... A revolutionary plot against the Panama government was exposed with the arrest of British ballerina Dame Margot Fonteyn and her husband, Dr. Roberto Arias, accused as the ringleader of the plot.

Junior Editors Quiz on  
METEORS

QUESTION: What is the difference between a meteor and a meteorite?

ANSWER: We have all seen occasional long brilliant streaks in the night sky, as if a star had suddenly shot away from its secure position; they are often called "shooting stars." Actually, these are true visitors from outer space, called "meteors," composed of metal or stone. Astronomers say that as many as 200 million enter the earth's atmosphere every day, pulled down by the force of gravity.

One may wonder why the earth's surface is not littered with meteors. It would be, and many of us would be killed by them, if it were not for the fortunate fact that these dangerous visitors become heated by the friction of the air in the atmosphere. At first (upper right) they are hardly affected; then they get so hot they begin to glow and we see a rapidly moving light in the night sky. Then the meteor becomes white hot and we see its light brilliantly. At last the heat breaks it up into small pieces which usually burn up before reaching the earth. Occasionally, however, an extra large bit of a meteor may strike the earth before it is destroyed. There is an enormous crater in Arizona believed to have been caused in this way and a number of actual pieces have been preserved. Such a piece, striking the earth, is called a "meteorite."

FOR YOU TO DO: Keep your eyes open, at night, for the thrilling spectacle of a shooting star. Meteors are thought to be fragments of comets, but many are small—no longer than a grain of sand. The earth passes through clouds of such meteors every November.

Robert Watkins of Fort Morgan, Colo., wins the combined prize of Compton's Illustrated Science Dictionary plus \$10 cash, for this question. Mail yours on a postcard to Junior Editors in care of The Review, and you may win the weekly grand prize of Compton's Pictured Encyclopedia.

How Can I?

By ANNE ASHLEY

Q. How can I remove rust from outside metal fixtures?

A. One of the best ways I know of is with steel wool dipped in kerosene, following this with a polishing with liquid wax.

Q. How can I remove tar spots from washable fabrics?

A. Rub lard over the spot and scrape it off as it discolors. Add more lard, and keep scraping until the tar is out. After this, wash the fabric in heavy suds to cleanse it of the lard.

Q. How can I make a better and more legible job of addressing packages for mailing?

A. Try using an ordinary wooden kitchen match, dipped into India ink, instead of a pen. Your printing will be much

heavier, and much more easily read by the postal clerks.

Q. How can I thaw frozen meat quickly?

A. Wrap it in aluminum foil, and place in a moderately hot oven for 10 or 15 minutes.

Q. What is a good moth-preventive treatment for carpets?

A. Sponge the rugs occasionally, and very lightly, with hot water to which a little turpentine has been added. This treatment discourages moths from attacking, and also brightens the colors of the rugs.

Q. What can I do if water or liquids are beginning to soak through some of my cork coasters?

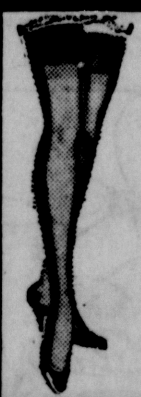

A. Paint the bottom side of each coaster with some colorless fingernail polish.
